| VOLTAGE RATING - DC            | 30V                                                              |
| VOLTAGE RATING - AC            | 115V                                                             |
| TERMINATION STYLE              | Solder Lug                                                       |
| SERIES                         | 59                                                               |
| ROHS STATUS                    | RoHS Compliant                                                   |
| PANEL CUTOUT DIMENSIONS        | -                                                                |
| OPERATING FORCE                | 14 ~ 58gfm                                                       |
| NUMBER OF POSITIONS            | 10                                                               |
| NUMBER OF POLES PER DECK       | 2                                                                |
| NUMBER OF DECKS                | 7                                                                |
| MOUNTING TYPE                  | Panel Mount                                                      |
| INDEX STOPS                    | Fixed                                                            |
| FEATURES                       | Shaft and Panel Sealed                                           |
| DETAILED DESCRIPTION           | Rotary Switch 10 Position DP10T 250mA (AC/DC) 115VAC Panel Mount |
| DEPTH BEHIND PANEL             | 80.37mm                                                          |
| CURRENT RATING                 | 250mA (AC/DC)                                                    |
| CONTACT TIMING                 | Shorting (MBB)                                                   |
| CONTACT MATERIAL               | Silver Alloy                                                     |
| CONTACT FINISH                 | Gold                                                             |
| CIRCUIT PER DECK               | DP10T                                                            |
| ANGLE OF THROW                 | 18°                                                              |
| ACTUATOR TYPE                  | Flatted (6.35mm Dia)                                             |
| ACTUATOR LENGTH                | 11.10mm                                                          |
