#### Specifications of CAF95950(ID2450-RT36)

|                                  |                                                                                    |
|----------------------------------|------------------------------------------------------------------------------------|
| PART NUMBER                      | CAF95950(ID2450-RT36)                                                              |
| MANUFACTURER                     | Laird Technologies - Antennas                                                      |
| DESCRIPTION                      | RF ANT 2.4GHZ MODUL CAB CHAS 36"                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                         |
| QUANTITY AVAILABLE               | 2021 pcs                                                                           |
| DATA SHEET                       |                                                                                    |
| VSWR                             | 1.5                                                                                |
| TERMINATION                      | Cable (914mm) - RP-TNC                                                             |
| SERIES                           | Whisper™                                                                           |
| RETURN LOSS                      | -                                                                                  |
| PACKAGING                        | Bulk                                                                               |
| NUMBER OF BANDS                  | 1                                                                                  |
| MOUNTING TYPE                    | Chassis Mount                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                         |
| INGRESS PROTECTION               | -                                                                                  |
| HEIGHT (MAX)                     | 0.059" (1.50mm)                                                                    |
| GAIN                             | 9dBi                                                                               |
| FREQUENCY RANGE                  | 2.4GHz ~ 2.5GHz                                                                    |
| FREQUENCY GROUP                  | UHF (2 GHz ~ 3 GHz)                                                                |
| FREQUENCY (CENTER/BAND)          | 2.4GHz                                                                             |
| FEATURES                         | -                                                                                  |
| DETAILED DESCRIPTION             | 2.4GHz Module RF Antenna 2.4GHz ~ 2.5GHz 9dBi Cable (914mm) - RP-TNC Chassis Mount |
| APPLICATIONS                     | -                                                                                  |
| ANTENNA TYPE                     | Module                                                                             |
