| VOLTAGE - SUPPLY                 | 1 V ~ 15 V                                                                                                      |
| TYPE                             | Hot Swap Controller, Sequencer                                                                                  |
| SUPPLIER DEVICE PACKAGE          | 24-QSOP                                                                                                         |
| SERIES                           | VariableSpeed/BiLevel™                                                                                          |
| PROGRAMMABLE FEATURES            | Circuit Breaker, Current Limit, UVLO                                                                            |
| PACKAGING                        | Tape & Reel (TR)                                                                                                |
| PACKAGE / CASE                   | 24-SSOP (0.154", 3.90mm Width)                                                                                  |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                    |
| NUMBER OF CHANNELS               | 4                                                                                                               |
| MOUNTING TYPE                    | Surface Mount                                                                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                      |
| INTERNAL SWITCH(S)               | No                                                                                                              |
| FEATURES                         | Auto Retry, Fault Timeout                                                                                       |
| FEATURE PINS                     | BIAS, IN1, IN2, IN3, IN4, MODE, ON1, ON2, ON3, ON4, STAT1, STAT2, STAT3, STAT4                                  |
| DETAILED DESCRIPTION             | Hot Swap Controller, Sequencer 4 Channel General Purpose 24-QSOP                                                |
| CURRENT - SUPPLY                 | 2.5mA                                                                                                           |
| CURRENT - OUTPUT (MAX)           | -                                                                                                               |
| BASE PART NUMBER                 | MAX5929                                                                                                         |
| APPLICATIONS                     | General Purpose                                                                                                 |
