Specifications of NLX2G17CMX1TCG

|                                  |                                                                                                        |
|----------------------------------|--------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | NLX2G17CMX1TCG                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                   |
| DESCRIPTION                      | IC BUF NON-INVERT 5.5V 6ULLGA                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| QUANTITY AVAILABLE               | 2798 pcs                                                                                               |
| DATA SHEET                       |  NLX2G17CMX1TCG.pdf |
| VOLTAGE - SUPPLY                 | 1.65 V ~ 5.5 V                                                                                         |
| SUPPLIER DEVICE PACKAGE          | 6-ULLGA (1x1)                                                                                          |
| SERIES                           | MiniGate™                                                                                              |
| PACKAGING                        | Tape & Reel (TR)                                                                                       |
| PACKAGE / CASE                   | 6-XFLGA                                                                                                |
| OUTPUT TYPE                      | Push-Pull                                                                                              |
| OPERATING TEMPERATURE            | -55°C ~ 125°C (TA)                                                                                     |
| NUMBER OF ELEMENTS               | 2                                                                                                      |
| NUMBER OF BITS PER ELEMENT       | 1                                                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                          |
| LOGIC TYPE                       | Buffer, Non-Inverting                                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| INPUT TYPE                       | Schmitt Trigger                                                                                        |
| DETAILED DESCRIPTION             | Buffer, Non-Inverting 2 Element 1 Bit per Element Push-Pull Output 6-ULLGA (1x1)                       |
| CURRENT - OUTPUT HIGH, LOW       | 32mA, 32mA                                                                                             |
| BASE PART NUMBER                 | LX2G17                                                                                                 |
