| DESCRIPTION                    | SWITCH ROTARY SHAFT/PANEL SEAL,                             |
| LEAD FREE STATUS / ROHS STATUS | RoHS Compliant                                              |
| QUANTITY AVAILABLE             | 1631 pcs                                                    |
| DATA SHEET                     |                                                             |
| VOLTAGE RATING - DC            | 28V                                                         |
| VOLTAGE RATING - AC            | 115V                                                        |
| TERMINATION STYLE              | Solder Lug                                                  |
| SERIES                         | 44                                                          |
| ROHS STATUS                    | RoHS Compliant                                              |
| PANEL CUTOUT DIMENSIONS        | -                                                           |
| OPERATING FORCE                | 5.761 ~ 83gfm                                               |
| NUMBER OF POSITIONS            | 6                                                           |
| NUMBER OF POLES PER DECK       | 1                                                           |
| NUMBER OF DECKS                | 1                                                           |
| MOUNTING TYPE                  | Panel Mount                                                 |
| INDEX STOPS                    | Fixed                                                       |
| FEATURES                       | Shaft and Panel Sealed                                      |
| DETAILED DESCRIPTION           | Rotary Switch 6 Position SP6T 1A (AC/DC) 115VAC Panel Mount |
| DEPTH BEHIND PANEL             | 26.04mm                                                     |
| CURRENT RATING                 | 1A (AC/DC)                                                  |
| CONTACT TIMING                 | Non-Shorting (BBM)                                          |
| CONTACT MATERIAL               | Silver Alloy                                                |
| CONTACT FINISH                 | -                                                           |
| CIRCUIT PER DECK               | SP6T                                                        |
| ANGLE OF THROW                 | 30°                                                         |
| ACTUATOR TYPE                  | Flatted (6.35mm Dia)                                        |
| ACTUATOR LENGTH                | 11.10mm                                                     |
