| DESCRIPTION                      | IC MPU SITARA 800MHZ 324NFBGA                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                       |
| QUANTITY AVAILABLE               | 4514 pcs                                                                         |
| DATA SHEET                       |                                                                                  |
| VOLTAGE - I/O                    | 1.8V, 3.3V                                                                       |
| USB                              | USB 2.0 + PHY (2)                                                                |
| SUPPLIER DEVICE PACKAGE          | 324-NFBGA(15x15)                                                                 |
| SPEED                            | 800MHz                                                                           |
| SERIES                           | Sitara™                                                                          |
| SECURITY FEATURES                | Cryptography, Random Number Generator                                            |
| SATA                             | -                                                                                |
| RAM CONTROLLERS                  | LPDDR, DDR2, DDR3, DDR3L                                                         |
| PACKAGING                        | Tray                                                                             |
| PACKAGE / CASE                   | 324-LFBGA                                                                        |
| OPERATING TEMPERATURE            | 0°C ~ 90°C (TJ)                                                                  |
| NUMBER OF CORES/BUS WIDTH        | 1 Core, 32-Bit                                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                       |
| GRAPHICS ACCELERATION            | Yes                                                                              |
| ETHERNET                         | 10/100/1000 Mbps (2)                                                             |
| DISPLAY & INTERFACE CONTROLLERS  | LCD, Touchscreen                                                                 |
| DETAILED DESCRIPTION             | ARM® Cortex®-A8 Microprocessor IC Sitara™ 1 Core, 32-Bit 800MHz 324-NFBGA(15x15) |
| CORE PROCESSOR                   | ARM® Cortex®-A8                                                                  |
| CO-PROCESSORS/DSP                | Multimedia; NEON™ SIMD                                                           |
| BASE PART NUMBER                 | AM3354                                                                           |
| ADDITIONAL INTERFACES            | CAN, I²C, McASP, McSPI, MMC/SD/SDIO, UART                                        |
