| DESCRIPTION                      | IC DRAM 64M PARALLEL 90TFBGA                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                         |
| QUANTITY AVAILABLE               | 18349 pcs                                                          |
| DATA SHEET                       |                                                                    |
| WRITE CYCLE TIME - WORD, PAGE    | -                                                                  |
| VOLTAGE - SUPPLY                 | 3 V ~ 3.6 V                                                        |
| TECHNOLOGY                       | SDRAM                                                              |
| SUPPLIER DEVICE PACKAGE          | 90-TFBGA (8x13)                                                    |
| SERIES                           | -                                                                  |
| PACKAGING                        | Tray                                                               |
| PACKAGE / CASE                   | 90-TFBGA                                                           |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                  |
| MOUNTING TYPE                    | Surface Mount                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                      |
| MEMORY TYPE                      | Volatile                                                           |
| MEMORY SIZE                      | 64Mb (2M x 32)                                                     |
| MEMORY INTERFACE                 | Parallel                                                           |
| MEMORY FORMAT                    | DRAM                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                         |
| DETAILED DESCRIPTION             | SDRAM Memory IC 64Mb (2M x 32) Parallel 166MHz 5ns 90-TFBGA (8x13) |
| CLOCK FREQUENCY                  | 166MHz                                                             |
| ACCESS TIME                      | 5ns                                                                |
