

ON Semiconductor®

ON

AMI Semiconductor / ON

Semiconductor

Part Number:MC74ACT125DTR2

Manufacturer/Brand:AMI Semiconductor / ON Semiconductor

Product description:IC BUF NON-INVERT 5.5V 14TSSOP

Datasheets: MC74ACT125DTR2.pdf

RoHs Status: Contains lead / RoHS non-compliant

Stock Condition:5003 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of MC74ACT125DTR2

|                                  |                                                                                                        |
|----------------------------------|--------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | MC74ACT125DTR2                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                   |
| DESCRIPTION                      | IC BUF NON-INVERT 5.5V 14TSSOP                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                     |
| QUANTITY AVAILABLE               | 5003 pcs                                                                                               |
| DATA SHEET                       |  MC74ACT125DTR2.pdf |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                                                          |
| SUPPLIER DEVICE PACKAGE          | 14-TSSOP                                                                                               |
| SERIES                           | 74ACT                                                                                                  |
| PACKAGING                        | Tape & Reel (TR)                                                                                       |
| PACKAGE / CASE                   | 14-TSSOP (0.173", 4.40mm Width)                                                                        |
| OUTPUT TYPE                      | 3-State                                                                                                |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                      |
| NUMBER OF ELEMENTS               | 4                                                                                                      |
| NUMBER OF BITS PER ELEMENT       | 1                                                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                          |
| LOGIC TYPE                       | Buffer, Non-Inverting                                                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                     |
| INPUT TYPE                       | -                                                                                                      |
| DETAILED DESCRIPTION             | Buffer, Non-Inverting 4 Element 1 Bit per Element 3-State Output 14-TSSOP                              |
| CURRENT - OUTPUT HIGH, LOW       | 24mA, 24mA                                                                                             |
| BASE PART NUMBER                 | 74ACT125                                                                                               |
