Specifications of CY26121KZXI-21T

|                                  |                                                                                                                         |
|----------------------------------|-------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | CY26121KZXI-21T                                                                                                         |
| MANUFACTURER                     | Cypress Semiconductor                                                                                                   |
| DESCRIPTION                      | IC SS CLOCK GENERATOR 16-TSSOP                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                              |
| QUANTITY AVAILABLE               | 74518 pcs                                                                                                               |
| DATA SHEET                       |  <a href="#">CY26121KZXI-21T.pdf</a> |
| VOLTAGE - SUPPLY                 | 3.135 V ~ 3.465 V                                                                                                       |
| TYPE                             | Fanout Distribution, Multiplexer, Spread Spectrum Clock Generator                                                       |
| SUPPLIER DEVICE PACKAGE          | 16-TSSOP                                                                                                                |
| SERIES                           | PacketClock™                                                                                                            |
| RATIO - INPUT:OUTPUT             | 1:5                                                                                                                     |
| PACKAGING                        | Tape & Reel (TR)                                                                                                        |
| PACKAGE / CASE                   | 16-TSSOP (0.173", 4.40mm Width)                                                                                         |
| PLL                              | Yes with Bypass                                                                                                         |
| OUTPUT                           | Clock                                                                                                                   |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                            |
| NUMBER OF CIRCUITS               | 1                                                                                                                       |
| MOUNTING TYPE                    | Surface Mount                                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                              |
| INPUT                            | Clock, Crystal                                                                                                          |
| FREQUENCY - MAX                  | 33.33MHz                                                                                                                |
| DIVIDER/MULTIPLIER               | Yes/No                                                                                                                  |
| DIFFERENTIAL - INPUT:OUTPUT      | No/No                                                                                                                   |
