## PIC32MZ1024EFF144T-I/JWX

|                     |                                   |
|---------------------|-----------------------------------|
| Part Number:        | PIC32MZ1024EFF144T-I/JWX          |
| Manufacturer/Brand: | Micrel / Microchip Technology     |
| Product description | 1024KB FLASH, 256KB RAM, NO CRYPT |
| Datasheets:         |                                   |
| Stock Condition     | 9426 pcs stock                    |
| Ship From           | Hong Kong                         |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS             |

REQUEST FOR QUOTATION

### Specifications of PIC32MZ1024EFF144T-I/JWX

|                                  |                                                                                               |
|----------------------------------|-----------------------------------------------------------------------------------------------|
| PART NUMBER                      | PIC32MZ1024EFF144T-I/JWX                                                                      |
| MANUFACTURER                     | Micrel / Microchip Technology                                                                 |
| DESCRIPTION                      | 1024KB FLASH, 256KB RAM, NO CRYPT                                                             |
| LEAD FREE STATUS / ROHS STATUS   |                                                                                               |
| QUANTITY AVAILABLE               | 9426 pcs                                                                                      |
| DATA SHEET                       |                                                                                               |
| VOLTAGE - SUPPLY (VCC/VDD)       | 2.1 V ~ 3.6 V                                                                                 |
| SUPPLIER DEVICE PACKAGE          | 144-TFBGA (7x7)                                                                               |
| SPEED                            | 200MHz                                                                                        |
| SERIES                           | PIC® 32MZ                                                                                     |
| RAM SIZE                         | 256K x 8                                                                                      |
| PROGRAM MEMORY TYPE              | FLASH                                                                                         |
| PROGRAM MEMORY SIZE              | 1MB (1M x 8)                                                                                  |
| PERIPHERALS                      | Brown-out Detect/Reset, DMA, I²S, POR, PWM, WDT                                               |
| PACKAGING                        | Original-Reel®                                                                                |
| PACKAGE / CASE                   | 144-TFBGA                                                                                     |
| OTHER NAMES                      | PIC32MZ1024EFF144T-I/JWXDKR                                                                   |
| OSCILLATOR TYPE                  | Internal                                                                                      |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                             |
| NUMBER OF I/O                    | 120                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                 |
| EEPROM SIZE                      | -                                                                                             |
| DETAILED DESCRIPTION             | MIPS32® M-Class PIC® 32MZ Microcontroller IC 32-Bit 200MHz 1MB (1M x 8) FLASH 144-TFBGA (7x7) |
| DATA CONVERTERS                  | A/D 48x12b                                                                                    |
| CORE SIZE                        | 32-Bit                                                                                        |
| CORE PROCESSOR                   | MIPS32® M-Class                                                                               |
| CONNECTIVITY                     | CANbus, EBI/EMI, Ethernet, I²C, PMP, SPI, SQI, UART/USART, USB OTG                            |
