Specifications of NLSF3T126MNR2

|                                  |                                                                                                       |
|----------------------------------|-------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | NLSF3T126MNR2                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                  |
| DESCRIPTION                      | IC BUFFER NON-INVERT 5.5V 16QFN                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                    |
| QUANTITY AVAILABLE               | 6076 pcs                                                                                              |
| DATA SHEET                       |  NLSF3T126MNR2.pdf |
| VOLTAGE - SUPPLY                 | 2 V ~ 5.5 V                                                                                           |
| SUPPLIER DEVICE PACKAGE          | 16-QFN (3x3)                                                                                          |
| SERIES                           | -                                                                                                     |
| PACKAGING                        | Tape & Reel (TR)                                                                                      |
| PACKAGE / CASE                   | 16-VFQFN Exposed Pad                                                                                  |
| OUTPUT TYPE                      | 3-State                                                                                               |
| OTHER NAMES                      | NLSF3T126MNR2OS                                                                                       |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                     |
| NUMBER OF ELEMENTS               | 4                                                                                                     |
| NUMBER OF BITS PER ELEMENT       | 1                                                                                                     |
| MOUNTING TYPE                    | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                         |
| LOGIC TYPE                       | Buffer, Non-Inverting                                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                    |
| INPUT TYPE                       | -                                                                                                     |
| DETAILED DESCRIPTION             | Buffer, Non-Inverting 4 Element 1 Bit per Element 3-State Output 16-QFN (3x3)                         |
| CURRENT - OUTPUT HIGH, LOW       | 8mA, 8mA                                                                                              |
| BASE PART NUMBER                 | LSF3T126                                                                                              |
