| DESCRIPTION                      | IC UART CMOS DUAL 40DIP                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                          |
| QUANTITY AVAILABLE               | 4069 pcs                                                                                            |
| DATA SHEET                       |  XR68C681P-F.pdf |
| WITH MODEM CONTROL               | -                                                                                                   |
| WITH IRDA ENCODER/DECODER        | -                                                                                                   |
| WITH FALSE START BIT DETECTION   | -                                                                                                   |
| WITH AUTO FLOW CONTROL           | -                                                                                                   |
| VOLTAGE - SUPPLY                 | 5V                                                                                                  |
| SUPPLIER DEVICE PACKAGE          | 40-PDIP                                                                                             |
| SERIES                           | -                                                                                                   |
| PROTOCOL                         | -                                                                                                   |
| PACKAGING                        | Tube                                                                                                |
| PACKAGE / CASE                   | 40-DIP (0.600", 15.24mm)                                                                            |
| NUMBER OF CHANNELS               | 2, DUART                                                                                            |
| MOUNTING TYPE                    | Through Hole                                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                          |
| FEATURES                         | Internal Oscillator, Timer/Counter                                                                  |
| FIFO'S                           | -                                                                                                   |
| DATA RATE (MAX)                  | 1Mbps                                                                                               |
