

### MCP6404-H/ST

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | MCP6404-H/ST                                                                                                 |
| Manufacturer/Brand: | Micrel / Microchip Technology                                                                                |
| Product description | IC OPAMP GP 1MHZ RRO 14TSSOP                                                                                 |
| Datasheets:         | <a href="#">1.MCP6404-H/ST.pdf</a><br><a href="#">2.MCP6404-H/ST.pdf</a>                                     |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 4551 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

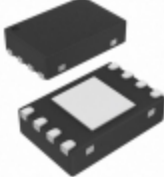

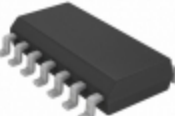

#### Specifications of MCP6404-H/ST

|                                    |                                                                          |
|------------------------------------|--------------------------------------------------------------------------|
| PART NUMBER                        | MCP6404-H/ST                                                             |
| MANUFACTURER                       | Microchip Technology                                                     |
| DESCRIPTION                        | IC OPAMP GP 1MHZ RRO 14TSSOP                                             |
| LEAD FREE STATUS / ROHS STATUS     | Lead free / RoHS Compliant                                               |
| QUANTITY AVAILABLE                 | 4551 pcs                                                                 |
| DATA SHEET                         | <a href="#">1.MCP6404-H/ST.pdf</a><br><a href="#">2.MCP6404-H/ST.pdf</a> |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±)  | -                                                                        |
| VOLTAGE - INPUT OFFSET             | 1pA                                                                      |
| VOLTAGE - BREAKDOWN                | 14-TSSOP                                                                 |
| SERIES                             | -                                                                        |
| ROHS STATUS                        | Tube                                                                     |
| POLARIZATION                       | 14-TSSOP (0.173", 4.40mm Width)                                          |
| OUTPUT TYPE                        | Rail-to-Rail                                                             |
| ORIENTATION                        | 4                                                                        |
| OPERATING TEMPERATURE              | -40°C ~ 150°C                                                            |
| NUMBER OF BITS/STAGES              | 800µV                                                                    |
| MOUNTING TYPE                      | Surface Mount                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL)   | 1 (Unlimited)                                                            |
| MAX OUTPUT POWER X CHANNELS @ LOAD | General Purpose                                                          |
| MANUFACTURER PART NUMBER           | MCP6404-H/ST                                                             |
| EXPANDED DESCRIPTION               | General Purpose Amplifier 4 Circuit Rail-to-Rail 14-TSSOP                |
| DESCRIPTION                        | IC OPAMP GP 1MHZ RRO 14TSSOP                                             |
| CURRENT - SUPPLY (MAIN IC)         | 1.8 V ~ 6.5 V                                                            |
| CURRENT - SUPPLY                   | 45µA                                                                     |
| CURRENT - INPUT BIAS               | 1MHz                                                                     |
| CHANNELS PER IC                    | 15mA                                                                     |
| -3DB BANDWIDTH                     | 0.5 V/µs                                                                 |
