

Micron Technology

Part Number: MT41J256M4JP-125:G

Manufacturer/Brand: Micron Technology

Product description: IC DRAM 1G PARALLEL 78FBGA

Datasheets:  MT41J256M4JP-125:G.pdf

RoHs Status:  Lead free / RoHS Compliant

Stock Condition: 13050 pcs stock

Ship From: Hong Kong

Shipment Way: DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

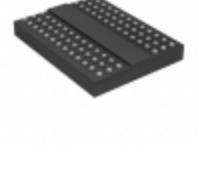

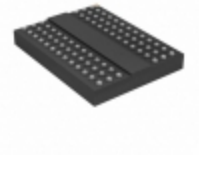

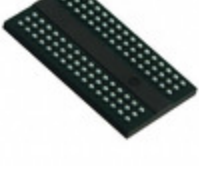

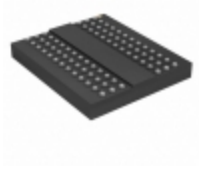

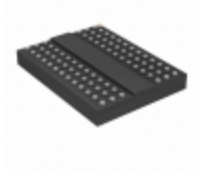

Specifications of MT41J256M4JP-125:G

|                                  |                                                                                                            |

| DESCRIPTION                      | IC DRAM 1G PARALLEL 78FBGA                                                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                 |
| QUANTITY AVAILABLE               | 13050 pcs                                                                                                  |
| DATA SHEET                       |  MT41J256M4JP-125:G.pdf |
| WRITE CYCLE TIME - WORD, PAGE    | -                                                                                                          |
| VOLTAGE - SUPPLY                 | 1.425 V ~ 1.575 V                                                                                          |
| TECHNOLOGY                       | SDRAM - DDR3                                                                                               |
| SUPPLIER DEVICE PACKAGE          | 78-FBGA (8x11.5)                                                                                           |
| SERIES                           | -                                                                                                          |
| PACKAGING                        | Tray                                                                                                       |
| PACKAGE / CASE                   | 78-TFBGA                                                                                                   |
| OPERATING TEMPERATURE            | 0°C ~ 95°C (TC)                                                                                            |
| MOUNTING TYPE                    | Surface Mount                                                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                              |
| MEMORY TYPE                      | Volatile                                                                                                   |
| MEMORY SIZE                      | 1Gb (256M x 4)                                                                                             |
| MEMORY INTERFACE                 | Parallel                                                                                                   |
| MEMORY FORMAT                    | DRAM                                                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                 |
| DETAILED DESCRIPTION             | SDRAM - DDR3 Memory IC 1Gb (256M x 4) Parallel 800MHz 78-FBGA (8x11.5)                                     |
| CLOCK FREQUENCY                  | 800MHz                                                                                                     |
| BASE PART NUMBER                 | MT41J256M4                                                                                                 |
