HPA00742DBTR

|                     |                                                  |
|---------------------|--------------------------------------------------|
| Part Number:        | HPA00742DBTR                                     |
| Manufacturer/Brand: | N/A                                              |
| Product description | IC BATT MGMT SBS 20TSSOP                         |
| Datasheets:         |                                                  |
| RoHs Status         | <div><div></div>Lead free / RoHS Compliant</div> |
| Stock Condition     | 18580 pcs stock                                  |
| Ship From           | Hong Kong                                        |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                            |

REQUEST FOR QUOTATION

Specifications of HPA00742DBTR

|                                  |                                                                   |
|----------------------------------|-------------------------------------------------------------------|
| PART NUMBER                      | HPA00742DBTR                                                      |
| MANUFACTURER                     | N/A                                                               |
| DESCRIPTION                      | IC BATT MGMT SBS 20TSSOP                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                        |
| QUANTITY AVAILABLE               | 18580 pcs                                                         |
| DATA SHEET                       |                                                                   |
| SUPPLIER DEVICE PACKAGE          | 30-TSSOP                                                          |
| SERIES                           | Impedance Track™                                                  |
| PACKAGING                        | Tape & Reel (TR)                                                  |
| PACKAGE / CASE                   | 30-TFSOP (0.173", 4.40mm Width)                                   |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                 |
| NUMBER OF CELLS                  | -                                                                 |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2 (1 Year)                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                        |
| INTERFACE                        | SMBus                                                             |
| FUNCTION                         | Battery Monitor                                                   |
| FAULT PROTECTION                 | Over Current, Over Temperature, Over/Under Voltage, Short Circuit |
| DETAILED DESCRIPTION             | Battery Battery Monitor IC Lithium Ion/Polymer 30-TSSOP           |
| BATTERY CHEMISTRY                | Lithium Ion/Polymer                                               |
