| DATA SHEET                       |  LT3028EDHC#PBF.pdf |
| VOLTAGE DROPOUT (MAX)            | 0.45V @ 100mA, 0.47V @ 500mA                                                                           |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 1.22V                                                                                                  |
| VOLTAGE - OUTPUT (MAX)           | 20V                                                                                                    |
| VOLTAGE - INPUT (MAX)            | 20V                                                                                                    |
| SUPPLIER DEVICE PACKAGE          | 16-DFN (5x3)                                                                                           |
| SERIES                           | -                                                                                                      |
| PROTECTION FEATURES              | Over Current, Over Temperature, Reverse Polarity                                                       |
| PACKAGING                        | Tube                                                                                                   |
| PACKAGE / CASE                   | 16-WFDFN Exposed Pad                                                                                   |
| PSRR                             | 65dB (120Hz)                                                                                           |
| OUTPUT TYPE                      | Adjustable                                                                                             |
| OUTPUT CONFIGURATION             | Positive                                                                                               |
| OTHER NAMES                      | LT3028EDHCPBF                                                                                          |
| OPERATING TEMPERATURE            | -40°C ~ 125°C                                                                                          |
| NUMBER OF REGULATORS             | 2                                                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                             |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Adjustable 2 Output 1.22 V ~ 20 V 100mA, 500mA 16-DFN (5x3)       |
| CURRENT - OUTPUT                 | 100mA, 500mA                                                                                           |
| CONTROL FEATURES                 | Enable                                                                                                 |
| BASE PART NUMBER                 | LT3028                                                                                                 |
