

X9252UV24-2.7

|                     |                                    |
|---------------------|------------------------------------|
| Part Number:        | X9252UV24-2.7                      |
| Manufacturer/Brand: | Intersil                           |
| Product description | IC DCP QUAD 250K 256TAP 24-TSSOP   |
| Datasheets:         | X9252UV24-2.7.pdf                  |
| RoHs Status         | Contains lead / RoHS non-compliant |
| Stock Condition     | 3937 pcs stock                     |
| Ship From           | Hong Kong                          |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS              |

REQUEST FOR QUOTATION

Specifications of X9252UV24-2.7

|                                  |                                                                                            |
|----------------------------------|--------------------------------------------------------------------------------------------|
| PART NUMBER                      | X9252UV24-2.7                                                                              |
| MANUFACTURER                     | Intersil                                                                                   |
| DESCRIPTION                      | IC DCP QUAD 250K 256TAP 24-TSSOP                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                         |
| QUANTITY AVAILABLE               | 3937 pcs                                                                                   |
| DATA SHEET                       | X9252UV24-2.7.pdf                                                                          |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 5.5 V                                                                              |
| TOLERANCE                        | ±20%                                                                                       |
| TEMPERATURE COEFFICIENT (TYP)    | ±300 ppm/°C                                                                                |
| TAPER                            | Linear                                                                                     |
| SUPPLIER DEVICE PACKAGE          | 24-TSSOP                                                                                   |
| SERIES                           | XDCP™                                                                                      |
| RESISTANCE - WIPER (OHMS) (TYP)  | 50                                                                                         |
| RESISTANCE (OHMS)                | 50k                                                                                        |
| PACKAGING                        | Tube                                                                                       |
| PACKAGE / CASE                   | 24-TSSOP (0.173", 4.40mm Width)                                                            |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                                 |
| NUMBER OF TAPS                   | 256                                                                                        |
| NUMBER OF CIRCUITS               | 4                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                              |
| MEMORY TYPE                      | Non-Volatile                                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                         |
| INTERFACE                        | I²C, Up/Down (U/D, CS)                                                                     |
| FEATURES                         | Selectable Address                                                                         |
| DETAILED DESCRIPTION             | Digital Potentiometer 50k Ohm 4 Circuit 256 Taps I²C, Up/Down (U/D, CS) Interface 24-TSSOP |
| CONFIGURATION                    | Potentiometer                                                                              |
| BASE PART NUMBER                 | X9252                                                                                      |
