| VOLTAGE - SUPPLY (VCC/VDD)       | 1.7 V ~ 3.6 V                                                                                                      |
| SUPPLIER DEVICE PACKAGE          | 208-LQFP (28x28)                                                                                                   |
| SPEED                            | 216MHz                                                                                                             |
| SERIES                           | STM32F7                                                                                                            |
| RAM SIZE                         | 512K x 8                                                                                                           |
| PROGRAM MEMORY TYPE              | FLASH                                                                                                              |
| PROGRAM MEMORY SIZE              | 2MB (2M x 8)                                                                                                       |
| PERIPHERALS                      | Brown-out Detect/Reset, DMA, I <sup>2</sup> S, POR, PWM, WDT                                                       |
| PACKAGING                        | Tray                                                                                                               |
| PACKAGE / CASE                   | 208-LQFP                                                                                                           |
| OTHER NAMES                      | 497-16623                                                                                                          |
| OSCILLATOR TYPE                  | Internal                                                                                                           |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                                  |
| NUMBER OF I/O                    | 168                                                                                                                |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                         |
| EEPROM SIZE                      | -                                                                                                                  |
| DETAILED DESCRIPTION             | ARM® Cortex®-M7 STM32F7 Microcontroller IC 32-Bit 216MHz 2MB (2M x 8) FLASH 208-LQFP (28x28)                       |
| DATA CONVERTERS                  | A/D 24x12b, A/D 2x12b                                                                                              |
| CORE SIZE                        | 32-Bit                                                                                                             |
| CORE PROCESSOR                   | ARM® Cortex®-M7                                                                                                    |
| CONNECTIVITY                     | CANbus, EBI/EMI, Ethernet, I <sup>2</sup> C, IrDA, LINbus, MMC/SD/SDIO, QSPI, SAI, SPDIF, SPI, UART/USART, USB OTG |
