

8897250000

Part Number:

8897250000

Manufacturer/Brand:

Weidmuller

Product description

RELAY GEN PURPOSE DPDT 8A 115V

Datasheets:

 8897250000.pdf

RoHs Status

 Lead free / RoHS Compliant

Stock Condition

4218 pcs stock

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of 8897250000

|                                  |                                                                                                    |

| DATA SHEET                       |  8897250000.pdf |
| TURN ON VOLTAGE (MAX)            | 86.3 VAC                                                                                           |
| TURN OFF VOLTAGE (MIN)           | 17.3 VAC                                                                                           |
| TERMINATION STYLE                | Spring Terminal                                                                                    |
| SWITCHING VOLTAGE                | 250VAC - Max                                                                                       |
| SERIES                           | RCI KITP                                                                                           |
| RELEASE TIME                     | 2ms                                                                                                |
| RELAY TYPE                       | General Purpose with Socket                                                                        |
| PACKAGING                        | Bulk                                                                                               |
| OPERATING TEMPERATURE            | -40°C ~ 70°C                                                                                       |
| OPERATE TIME                     | 7ms                                                                                                |
| MOUNTING TYPE                    | DIN Rail                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                         |
| FEATURES                         | LED Indicator, Test Button                                                                         |
| DETAILED DESCRIPTION             | General Purpose with Socket Relay DPDT (2 Form C) 115VAC Coil DIN Rail                             |
| CONTACT RATING (CURRENT)         | 8A                                                                                                 |
| CONTACT MATERIAL                 | Silver Nickel (AgNi)                                                                               |
| CONTACT FORM                     | DPDT (2 Form C)                                                                                    |
| COIL VOLTAGE                     | 115VAC                                                                                             |
| COIL TYPE                        | Non Latching                                                                                       |
| COIL RESISTANCE                  | 8.1 kOhms                                                                                          |
| COIL POWER                       | 0.8 VA                                                                                             |
| COIL CURRENT                     | 6.6mA                                                                                              |
