| VOLTAGE - OUTPUT                 | -                                                                                         |
| VOLTAGE - INPUT                  | 4.5 V ~ 26 V                                                                              |
| SUPPLIER DEVICE PACKAGE          | 56-TQFN (8x8)                                                                             |
| SERIES                           | Quick-PWM™                                                                                |
| PACKAGING                        | Tape & Reel (TR)                                                                          |
| PACKAGE / CASE                   | 56-WFQFN Exposed Pad                                                                      |
| OPERATING TEMPERATURE            | -40°C ~ 105°C                                                                             |
| NUMBER OF OUTPUTS                | 2                                                                                         |
| MOUNTING TYPE                    | Surface Mount                                                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                |
| DETAILED DESCRIPTION             | Quick-PWM™ Controller, Intel IMVP-7, VR12™ Voltage Regulator IC 2 Output 56-TQFN (8x8)    |
| BASE PART NUMBER                 | MAX17039                                                                                  |
| APPLICATIONS                     | Controller, Intel IMVP-7, VR12™                                                           |
