| DESCRIPTION                      | IC BUFFER NON-INVERT 3.6V 16DIP                                                  |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                       |
| QUANTITY AVAILABLE               | 6703 pcs                                                                         |
| DATA SHEET                       |                                                                                  |
| VOLTAGE - SUPPLY                 | 1 V ~ 3.6 V                                                                      |
| SUPPLIER DEVICE PACKAGE          | 16-DIP                                                                           |
| SERIES                           | 74LV                                                                             |
| PACKAGING                        | Tube                                                                             |
| PACKAGE / CASE                   | 16-DIP (0.300" , 7.62mm)                                                         |
| OUTPUT TYPE                      | 3-State                                                                          |
| OTHER NAMES                      | 568-2958-5<br>935162800112                                                       |
| OPERATING TEMPERATURE            | -40°C ~ 125°C (TA)                                                               |
| NUMBER OF ELEMENTS               | 2                                                                                |
| NUMBER OF BITS PER ELEMENT       | 2, 4 (Hex)                                                                       |
| MOUNTING TYPE                    | Through Hole                                                                     |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                    |
| LOGIC TYPE                       | Buffer, Non-Inverting                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                       |
| INPUT TYPE                       | -                                                                                |
| DETAILED DESCRIPTION             | Buffer, Non-Inverting 2 Element 2, 4 (Hex) Bit per Element 3-State Output 16-DIP |
| CURRENT - OUTPUT HIGH, LOW       | 8mA, 8mA                                                                         |
| BASE PART NUMBER                 | 74LV367                                                                          |
