MC34118DW

|                     |                                                                                                                      |
|---------------------|----------------------------------------------------------------------------------------------------------------------|
| Part Number:        | MC34118DW                                                                                                            |
| Manufacturer/Brand: | NXP Semiconductors / Freescale                                                                                       |
| Product description | IC VOICE SWITCH SPKPHONE 28-SOIC                                                                                     |
| Datasheets:         |                                                                                                                      |
| RoHs Status         |  Contains lead / RoHS non-compliant |
| Stock Condition     | 36396 pcs stock                                                                                                      |
| Ship From           | Hong Kong                                                                                                            |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                                |

REQUEST FOR QUOTATION

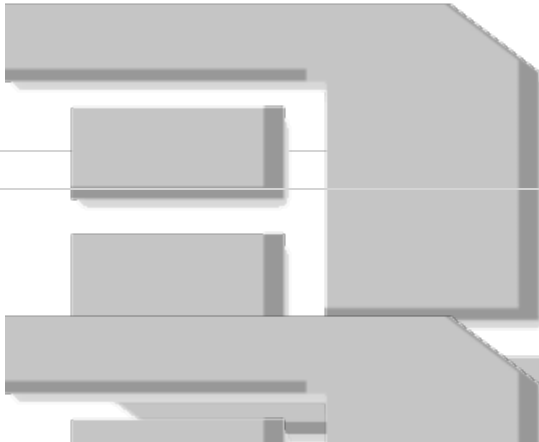

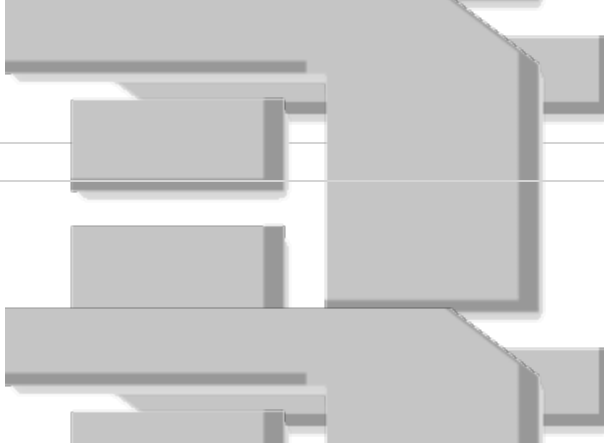

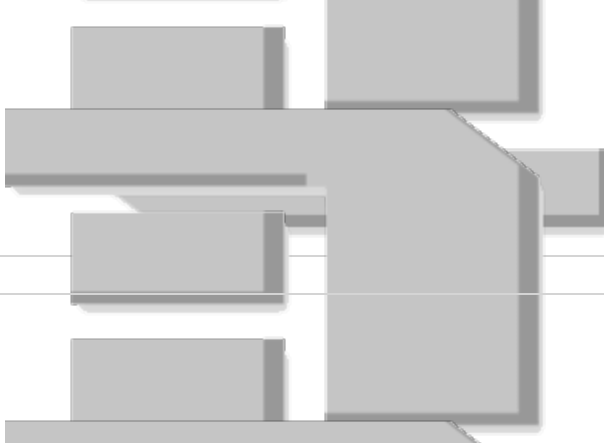

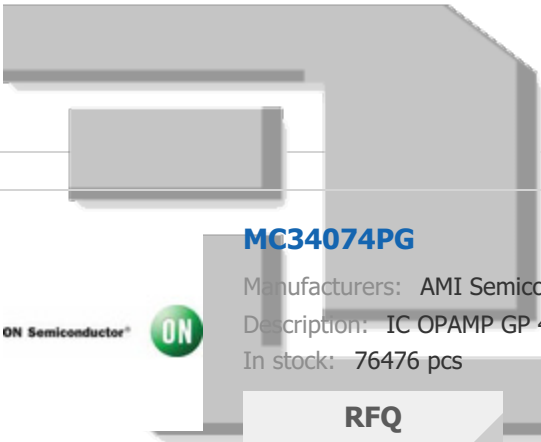

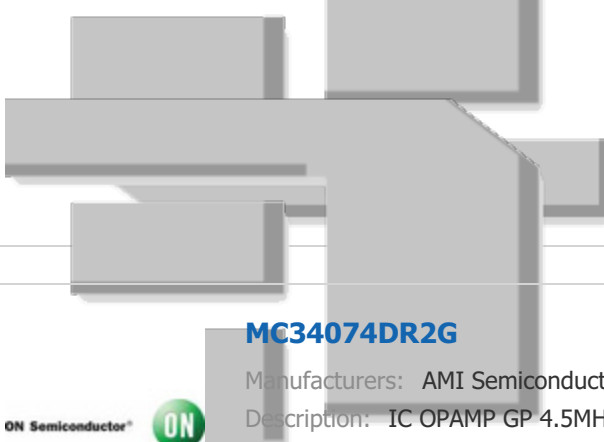

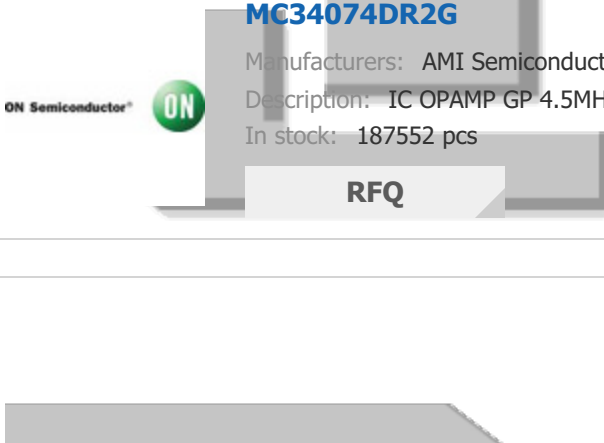

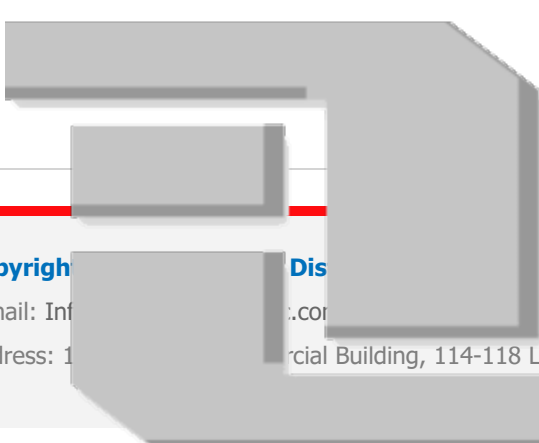

Specifications of MC34118DW

|                                  |                                                                                                                            |
|----------------------------------|----------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | MC34118DW                                                                                                                  |
| MANUFACTURER                     | NXP Semiconductors / Freescale                                                                                             |
| DESCRIPTION                      | IC VOICE SWITCH SPKPHONE 28-SOIC                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                         |
| QUANTITY AVAILABLE               | 36396 pcs                                                                                                                  |
| DATA SHEET                       |                                                                                                                            |
| VOLTAGE - SUPPLY                 | 3.5 V ~ 6.5 V                                                                                                              |
| SUPPLIER DEVICE PACKAGE          | 28-SOIC                                                                                                                    |
| SERIES                           | -                                                                                                                          |
| PACKAGING                        | Tube                                                                                                                       |
| PACKAGE / CASE                   | 28-SOIC (0.295", 7.50mm Width)                                                                                             |
| OPERATING TEMPERATURE            | -20°C ~ 60°C                                                                                                               |
| NUMBER OF CIRCUITS               | 1                                                                                                                          |
| MOUNTING TYPE                    | Surface Mount                                                                                                              |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                              |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                         |
| INTERFACE                        | -                                                                                                                          |
| INCLUDES                         | Background Noise Monitor, Chip Disable, Dial Tone Detector, Driver Amplifiers, Level Detectors, Microphone Amplifier, MUTE |
| FUNCTION                         | Voice-Switched Speakerphone                                                                                                |
| DETAILED DESCRIPTION             | Telecom IC Voice-Switched Speakerphone 28-SOIC                                                                             |
| CURRENT - SUPPLY                 | 5.5mA                                                                                                                      |
| BASE PART NUMBER                 | MC34118                                                                                                                    |
