

ADI (Analog Devices, Inc.)

LTC1726ES8-5#PBF

Part Number:

LTC1726ES8-5#PBF

Manufacturer/Brand:

ADI (Analog Devices, Inc.)

Product description

IC TRPL SUPPLY MONITOR 5V 8-SOIC

Datasheets:

 LTC1726ES8-5#PBF.pdf

RoHs Status

 Lead free / RoHS Compliant

Stock Condition

28272 pcs stock

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of LTC1726ES8-5#PBF

|                                  |                                                                                                          |

| DATA SHEET                       |  LTC1726ES8-5#PBF.pdf |
| VOLTAGE - THRESHOLD              | 3.085V, 4.675V, Adj                                                                                      |
| TYPE                             | Multi-Voltage Supervisor                                                                                 |
| SUPPLIER DEVICE PACKAGE          | 8-SOIC                                                                                                   |
| SERIES                           | -                                                                                                        |
| RESET TIMEOUT                    | Adjustable/Selectable                                                                                    |
| RESET                            | Active Low                                                                                               |
| PACKAGING                        | Tube                                                                                                     |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                                                            |
| OUTPUT                           | Open Drain or Open Collector                                                                             |
| OTHER NAMES                      | LTC1726ES85PBF                                                                                           |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                        |
| NUMBER OF VOLTAGES MONITORED     | 3                                                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                               |
| DETAILED DESCRIPTION             | Supervisor Open Drain or Open Collector 3 Channel 8-SOIC                                                 |
| BASE PART NUMBER                 | LTC1726                                                                                                  |
