74LVCH32244AEC,551

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | 74LVCH32244AEC,551                                                                                           |
| Manufacturer/Brand: | NXP Semiconductors / Freescale                                                                               |
| Product description | IC BUF NON-INVERT 3.6V 96LFBGA                                                                               |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 4658 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of 74LVCH32244AEC,551

|                                  |                                                                                      |

| PART NUMBER                      | 74LVCH32244AEC,551                                                                   |
| MANUFACTURER                     | NXP Semiconductors / Freescale                                                       |
| DESCRIPTION                      | IC BUF NON-INVERT 3.6V 96LFBGA                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                           |
| QUANTITY AVAILABLE               | 4658 pcs                                                                             |
| DATA SHEET                       |                                                                                      |
| VOLTAGE - SUPPLY                 | 1.2 V ~ 3.6 V                                                                        |
| SUPPLIER DEVICE PACKAGE          | 96-LFBGA (13.5x5.5)                                                                  |
| SERIES                           | 74LVCH                                                                               |
| PACKAGING                        | Tray                                                                                 |
| PACKAGE / CASE                   | 96-LFBGA                                                                             |
| OUTPUT TYPE                      | 3-State                                                                              |
| OTHER NAMES                      | 74LVCH32244AEC-S<br>74LVCH32244AEC-S-ND<br>935263931551                              |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                    |
| NUMBER OF ELEMENTS               | 8                                                                                    |
| NUMBER OF BITS PER ELEMENT       | 4                                                                                    |
| MOUNTING TYPE                    | Surface Mount                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 2A (4 Weeks)                                                                         |
| LOGIC TYPE                       | Buffer, Non-Inverting                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                           |
| INPUT TYPE                       | -                                                                                    |
| DETAILED DESCRIPTION             | Buffer, Non-Inverting 8 Element 4 Bit per Element 3-State Output 96-LFBGA (13.5x5.5) |
| CURRENT - OUTPUT HIGH, LOW       | 24mA, 24mA                                                                           |
| BASE PART NUMBER                 | 74LVCH32244                                                                          |
