

PAV69278I-FNF

|                     |                                  |
|---------------------|----------------------------------|
| Part Number:        | PAV69278I-FNF                    |
| Manufacturer/Brand: | Laird Technologies - Antennas    |
| Product description | RF ANT 829MHZ/2.2GHZ PANEL N FEM |
| Datasheets:         | PAV69278I-FNF.pdf                |
| RoHs Status         | Lead free / RoHS Compliant       |
| Stock Condition     | 1419 pcs stock                   |
| Ship From           | Hong Kong                        |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS            |

| VSWR                             | 2                                                                                                                       |
| TERMINATION                      | Connector, N Female                                                                                                     |
| SERIES                           | -                                                                                                                       |
| RETURN LOSS                      | -                                                                                                                       |
| POWER - MAX                      | 50W                                                                                                                     |
| PACKAGING                        | Bulk                                                                                                                    |
| NUMBER OF BANDS                  | 2                                                                                                                       |
| MOUNTING TYPE                    | Chassis Mount                                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                              |
| INGRESS PROTECTION               | -                                                                                                                       |
| HEIGHT (MAX)                     | 2.413" (61.30mm)                                                                                                        |
| GAIN                             | 8dBi                                                                                                                    |
| FREQUENCY RANGE                  | 698MHz ~ 960MHz, 1.71GHz ~ 2.7GHz                                                                                       |
| FREQUENCY GROUP                  | Wide Band                                                                                                               |
| FREQUENCY (CENTER/BAND)          | 829MHz, 2.2GHz                                                                                                          |
| FEATURES                         | -                                                                                                                       |
| DETAILED DESCRIPTION             | 829MHz, 2.2GHz GSM, LTE, UMTS Panel RF Antenna 698MHz ~ 960MHz, 1.71GHz ~ 2.7GHz 8dBi Connector, N Female Chassis Mount |
| APPLICATIONS                     | GSM, LTE, UMTS                                                                                                          |
| ANTENNA TYPE                     | Panel                                                                                                                   |
