

Honeywell Sensing and Productivity Solutions

Productivity Solutions

83298-00000100-01

Part Number:83298-00000100-01

Manufacturer/Brand:Honeywell Sensing and Productivity Solutions

Product description:SWITCH PRESSURE N.O. 10PSI

Datasheets: 83298-00000100-01.pdf

RoHs Status: Lead free / RoHS Compliant

Stock Condition:2410 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of 83298-00000100-01

|                                  |                                                                                                           |

| DATA SHEET                       |  83298-00000100-01.pdf |
| VOLTAGE - SUPPLY                 | -                                                                                                         |
| TERMINATION STYLE                | Screw                                                                                                     |
| SUPPLIER DEVICE PACKAGE          | -                                                                                                         |
| SERIES                           | 5000                                                                                                      |
| PRESSURE TYPE                    | Switch                                                                                                    |
| PORT STYLE                       | Threaded                                                                                                  |
| PORT SIZE                        | Male - 1/8" (3.18mm) NPT                                                                                  |
| PACKAGE / CASE                   | Cylinder, Threaded                                                                                        |
| OUTPUT TYPE                      | SPST-NO                                                                                                   |
| OUTPUT                           | -                                                                                                         |
| OTHER NAMES                      | 480-6839                                                                                                  |
| OPERATING TEMPERATURE            | -40°C ~ 250°C                                                                                             |
| OPERATING PRESSURE               | 20 PSI (137.90 kPa)                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                             |
| MAXIMUM PRESSURE                 | 500 PSI (3447.38 kPa)                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                |
| FEATURES                         | -                                                                                                         |
| DETAILED DESCRIPTION             | Pressure Sensor 20 PSI (137.90 kPa) Switch Male - 1/8" (3.18mm) NPT Cylinder, Threaded                    |
| ACCURACY                         | -                                                                                                         |
