MC145483ENR2

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | MC145483ENR2                                                                                                 |
| Manufacturer/Brand: | NXP Semiconductors / Freescale                                                                               |
| Product description | IC CODEC-FI 13BIT 3V 20-SSOP                                                                                 |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 6302 pcs stock                                                                                               |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

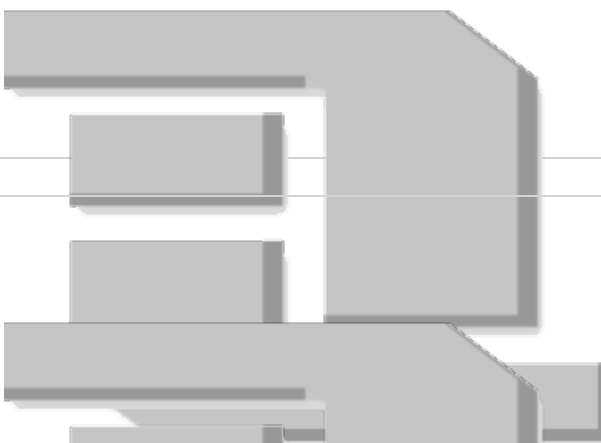

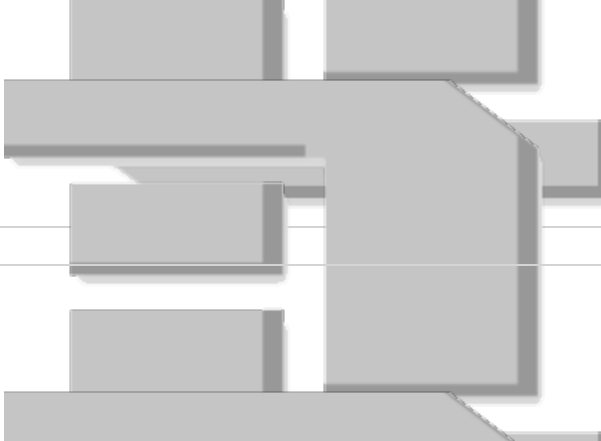

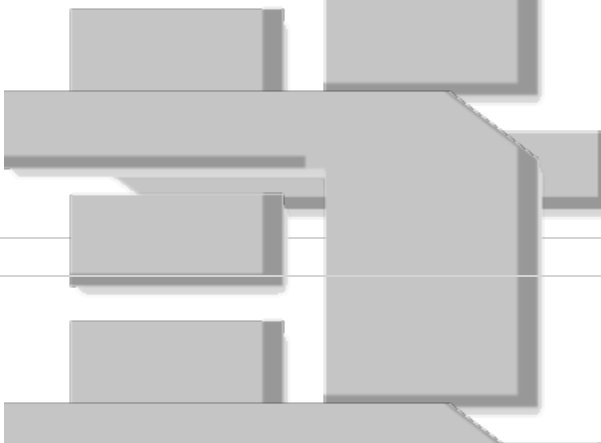

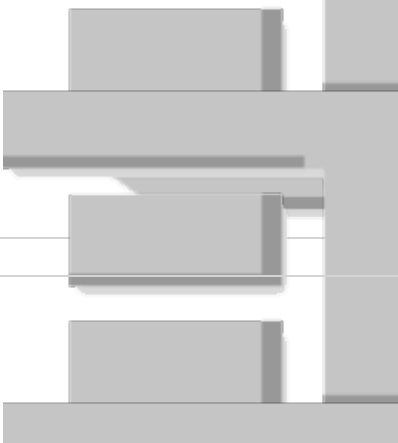

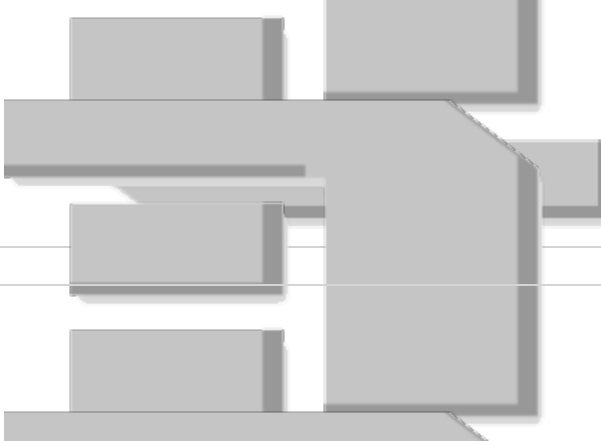

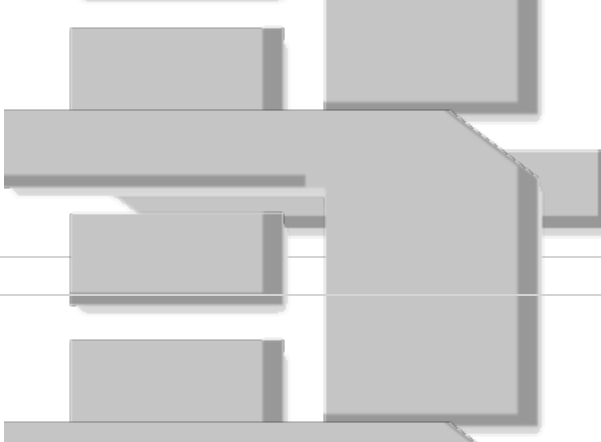

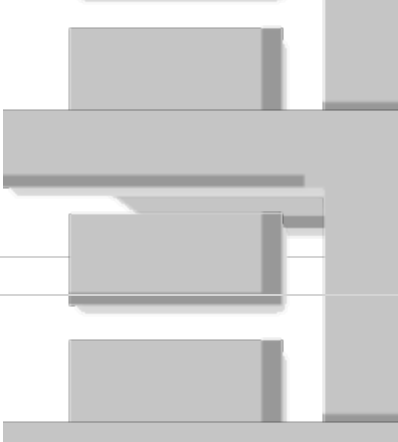

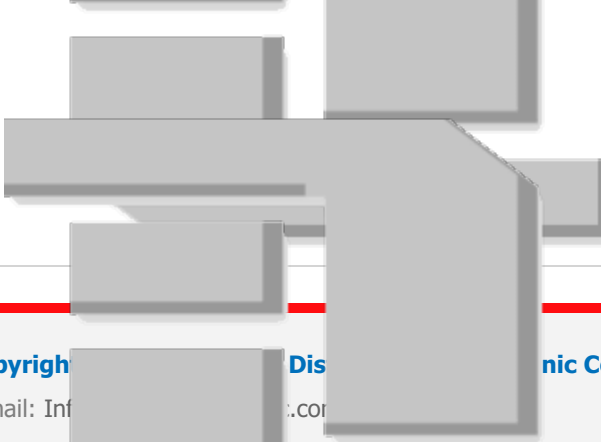

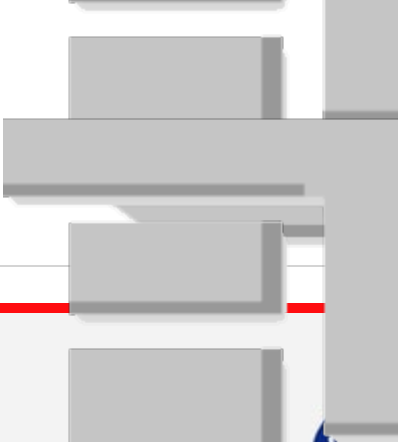

Specifications of MC145483ENR2

|                                     |                                                        |
|-------------------------------------|--------------------------------------------------------|
| PART NUMBER                         | MC145483ENR2                                           |
| MANUFACTURER                        | NXP Semiconductors / Freescale                         |
| DESCRIPTION                         | IC CODEC-FI 13BIT 3V 20-SSOP                           |
| LEAD FREE STATUS / ROHS STATUS      | Lead free / RoHS Compliant                             |
| QUANTITY AVAILABLE                  | 6302 pcs                                               |
| DATA SHEET                          |                                                        |
| VOLTAGE - SUPPLY, DIGITAL           | 2.7 V ~ 5.25 V                                         |
| VOLTAGE - SUPPLY, ANALOG            | -                                                      |
| TYPE                                | PCM, Filter                                            |
| SUPPLIER DEVICE PACKAGE             | 20-SSOP                                                |
| SIGMA DELTA                         | No                                                     |
| SERIES                              | -                                                      |
| S/N RATIO, ADCS / DACS (DB) TYP     | -                                                      |
| RESOLUTION (BITS)                   | 13 b                                                   |
| PACKAGING                           | Tape & Reel (TR)                                       |
| PACKAGE / CASE                      | 20-SSOP (0.209", 5.30mm Width)                         |
| OPERATING TEMPERATURE               | -40°C ~ 85°C                                           |
| NUMBER OF ADCS / DACS               | 1 / 1                                                  |
| MOUNTING TYPE                       | Surface Mount                                          |
| MOISTURE SENSITIVITY LEVEL (MSL)    | 3 (168 Hours)                                          |
| LEAD FREE STATUS / ROHS STATUS      | Lead free / RoHS Compliant                             |
| DYNAMIC RANGE, ADCS / DACS (DB) TYP | -                                                      |
