| DATA SHEET                       |  <a href="#">HCNW135#500.pdf</a> |
| VOLTAGE - OUTPUT (MAX)           | 20V                                                                                                                 |
| VOLTAGE - ISOLATION              | 5000Vrms                                                                                                            |
| VOLTAGE - FORWARD (VF) (TYP)     | 1.68V                                                                                                               |
| VCE SATURATION (MAX)             | -                                                                                                                   |
| TURN ON / TURN OFF TIME (TYP)    | 2µs, 2µs (Max)                                                                                                      |
| SUPPLIER DEVICE PACKAGE          | 8-SMD                                                                                                               |
| SERIES                           | -                                                                                                                   |
| RISE / FALL TIME (TYP)           | -                                                                                                                   |
| PACKAGING                        | Tape & Reel (TR)                                                                                                    |
| PACKAGE / CASE                   | 8-SMD, Gull Wing                                                                                                    |
| OUTPUT TYPE                      | Transistor with Base                                                                                                |
| OPERATING TEMPERATURE            | -55°C ~ 85°C                                                                                                        |
| NUMBER OF CHANNELS               | 1                                                                                                                   |
| MOUNTING TYPE                    | Surface Mount                                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                       |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                                                                  |
| INPUT TYPE                       | DC                                                                                                                  |
| DETAILED DESCRIPTION             | Optoisolator Transistor with Base Output 5000Vrms 1 Channel 8-SMD                                                   |
| CURRENT TRANSFER RATIO (MIN)     | 5% @ 16mA                                                                                                           |
| CURRENT TRANSFER RATIO (MAX)     | -                                                                                                                   |
| CURRENT - OUTPUT / CHANNEL       | 8mA                                                                                                                 |
| CURRENT - DC FORWARD (IF) (MAX)  | 25mA                                                                                                                |
