

LMH6629SDE/NOPB

|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | LMH6629SDE/NOPB                                                                                              |
| Manufacturer/Brand: | N/A                                                                                                          |
| Product description | IC OPAMP VFB 900MHZ 8WSON                                                                                    |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 25191 pcs stock                                                                                              |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

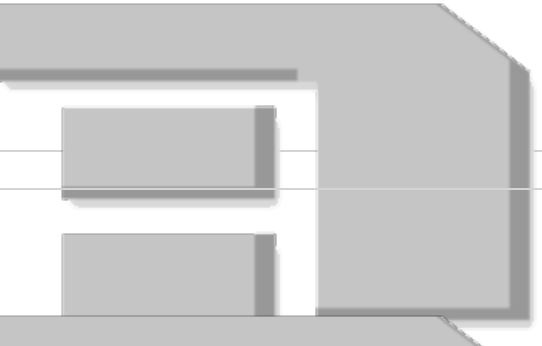

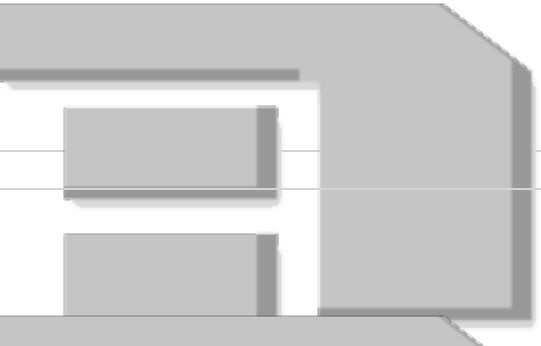

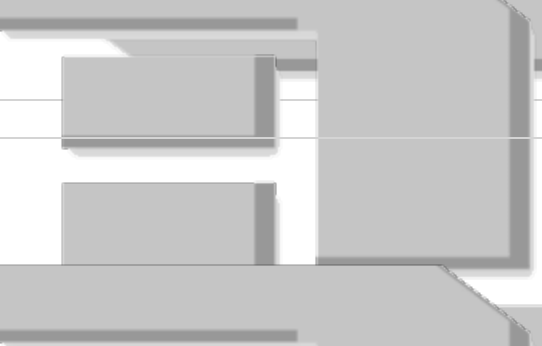

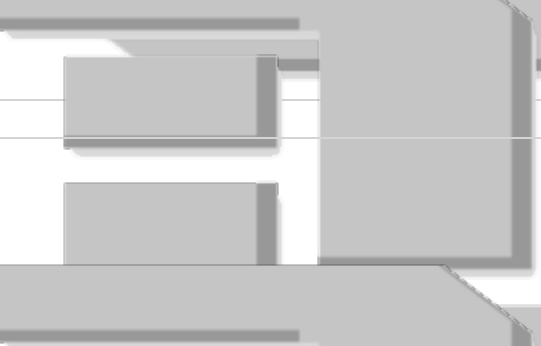

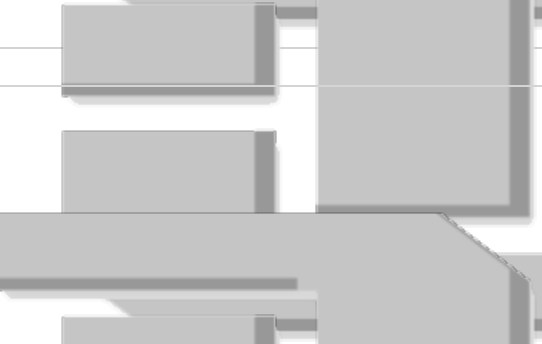

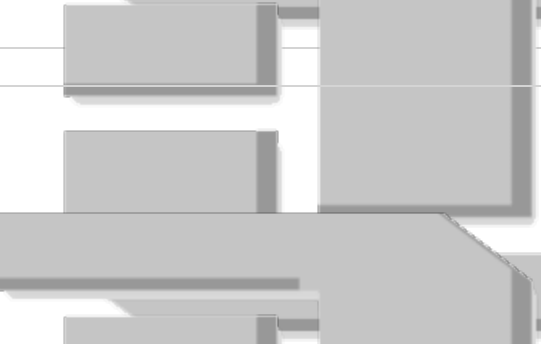

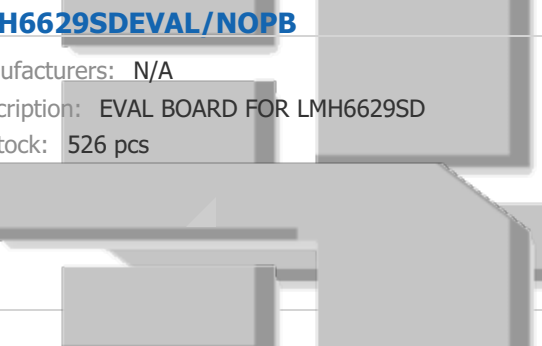

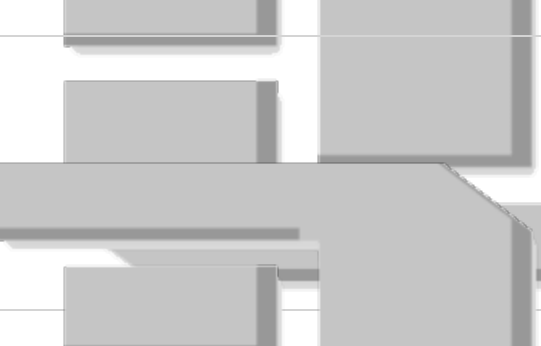

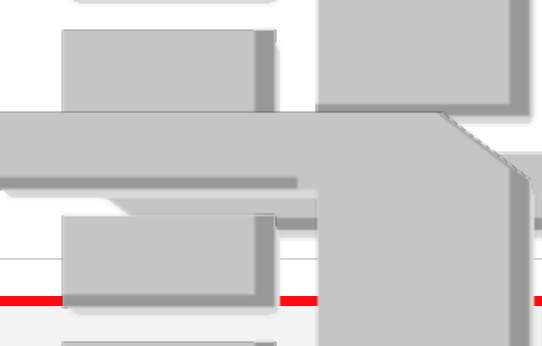

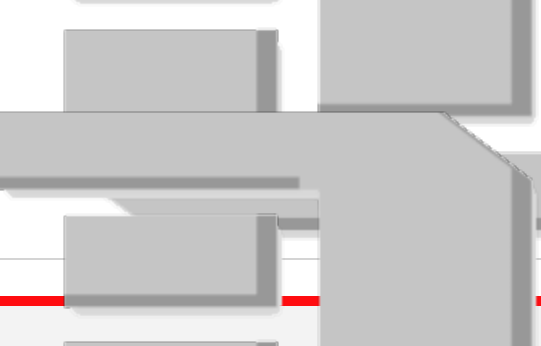

Specifications of LMH6629SDE/NOPB

|                                   |                                                           |
|-----------------------------------|-----------------------------------------------------------|
| PART NUMBER                       | LMH6629SDE/NOPB                                           |
| MANUFACTURER                      | N/A                                                       |
| DESCRIPTION                       | IC OPAMP VFB 900MHZ 8WSON                                 |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                |
| QUANTITY AVAILABLE                | 25191 pcs                                                 |
| DATA SHEET                        |                                                           |
| VOLTAGE - SUPPLY, SINGLE/DUAL (±) | 2.7 V ~ 5.5 V                                             |
| VOLTAGE - INPUT OFFSET            | 150µV                                                     |
| SUPPLIER DEVICE PACKAGE           | 8-WSON (3x3)                                              |
| SLEW RATE                         | 1600 V/µs                                                 |
| SERIES                            | -                                                         |
| PACKAGING                         | Tape & Reel (TR)                                          |
| PACKAGE / CASE                    | 8-WDFDN Exposed Pad                                       |
| OUTPUT TYPE                       | -                                                         |
| OTHER NAMES                       | LMH6629SDE/NOPB-ND<br>LMH6629SDE/NOPBTR<br>LMH6629SDENOPB |
| OPERATING TEMPERATURE             | -40°C ~ 125°C                                             |
| NUMBER OF CIRCUITS                | 1                                                         |
| MOUNTING TYPE                     | Surface Mount                                             |
| MOISTURE SENSITIVITY LEVEL (MSL)  | 3 (168 Hours)                                             |
| LEAD FREE STATUS / ROHS STATUS    | Lead free / RoHS Compliant                                |
| DETAILED DESCRIPTION              | Voltage Feedback Amplifier 1 Circuit 8-WSON (3x3)         |
| CURRENT - SUPPLY                  | 15.5mA                                                    |
| CURRENT - OUTPUT / CHANNEL        | 250mA                                                     |
| CURRENT - INPUT BIAS              | 15µA                                                      |
| BASE PART NUMBER                  | LMH6629                                                   |
| AMPLIFIER TYPE                    | Voltage Feedback                                          |
| -3DB BANDWIDTH                    | 900MHz                                                    |
