| SENSITIVITY                      | -120dBm                                                                                              |
| PACKAGING                        | Bulk                                                                                                 |
| PACKAGE / CASE                   | 16-SMD Module                                                                                        |
| OTHER NAMES                      | RFM65W868S2                                                                                          |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                        |
| MODULATION OR PROTOCOL           | FSK, GFSK, GMSK, MSK, OOK                                                                            |
| MEMORY SIZE                      | -                                                                                                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                           |
| FREQUENCY                        | 868MHz                                                                                               |
| FEATURES                         | -                                                                                                    |
| DETAILED DESCRIPTION             | - RF Receiver FSK, GFSK, GMSK, MSK, OOK 868MHz -120dBm 300kbps PCB, Surface Mount Module             |
| DATA RATE (MAX)                  | 300kbps                                                                                              |
| DATA INTERFACE                   | SPI                                                                                                  |
| CURRENT - RECEIVING              | 16mA                                                                                                 |
| APPLICATIONS                     | Home/Building Automation, Industrial Control and Monitoring                                          |
| ANTENNA CONNECTOR                | PCB, Surface Mount                                                                                   |
