| MANUFACTURER                     | NXP Semiconductors / Freescale                                               |
| DESCRIPTION                      | IC MCU 32BIT ROMLESS 208FQFP                                                 |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                           |
| QUANTITY AVAILABLE               | 6430 pcs                                                                     |
| DATA SHEET                       |                                                                              |
| VOLTAGE - SUPPLY (VCC/VDD)       | 3 V ~ 3.6 V                                                                  |
| SUPPLIER DEVICE PACKAGE          | 208-FQFP (28x28)                                                             |
| SPEED                            | 66MHz                                                                        |
| SERIES                           | MCF530x                                                                      |
| RAM SIZE                         | 4K x 8                                                                       |
| PROGRAM MEMORY TYPE              | ROMless                                                                      |
| PROGRAM MEMORY SIZE              | -                                                                            |
| PERIPHERALS                      | DMA, POR, WDT                                                                |
| PACKAGING                        | Tray                                                                         |
| PACKAGE / CASE                   | 208-BFQFP                                                                    |
| OSCILLATOR TYPE                  | External                                                                     |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                                              |
| NUMBER OF I/O                    | 16                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                           |
| EEPROM SIZE                      | -                                                                            |
| DETAILED DESCRIPTION             | Coldfire V3 MCF530x Microcontroller IC 32-Bit 66MHz ROMless 208-FQFP (28x28) |
| DATA CONVERTERS                  | -                                                                            |
| CORE SIZE                        | 32-Bit                                                                       |
| CORE PROCESSOR                   | Coldfire V3                                                                  |
| CONNECTIVITY                     | EBI/EMI, I²C, UART/USART                                                     |
| BASE PART NUMBER                 | MCF5307                                                                      |
