

67B-RA-3C-S-P

|                     |                                 |
|---------------------|---------------------------------|
| Part Number:        | 67B-RA-3C-S-P                   |
| Manufacturer/Brand: | Grayhill, Inc.                  |
| Product description | SWITCH JOYSTICK FINGERTIP KNOB, |
| Datasheets:         |                                 |
| Stock Condition     | 642 pcs stock                   |
| Ship From           | Hong Kong                       |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS           |

| QUANTITY AVAILABLE             | 642 pcs                                                            |
| DATA SHEET                     |                                                                    |
| VOLTAGE - SUPPLY               | 3.3VDC                                                             |
| TYPE                           | Joystick, 3 - Axis                                                 |
| TERMINATION STYLE              | Pin Header                                                         |
| SWITCH FUNCTION                | 2-Way Rotational, 360° Directional, Center Select                  |
| SERIES                         | 67B                                                                |
| PANEL CUTOUT DIMENSIONS        | -                                                                  |
| OUTPUT                         | Digital (Hall Effect Over I²C Interface)                           |
| OPERATING TEMPERATURE          | -40°C ~ 85°C                                                       |
| OPERATING FORCE                | 300gf                                                              |
| MOUNTING TYPE                  | Panel Mount                                                        |
| MECHANICAL LIFE                | 1,000,000 Cycles                                                   |
| INGRESS PROTECTION             | IP67 - Dust Tight, Waterproof                                      |
| FUNCTIONS, EXTRA               | -                                                                  |
| FEATURES                       | Half Boot                                                          |
| ELECTRICAL LIFE                | -                                                                  |
| DETAILED DESCRIPTION           | Joystick, 3 - Axis Digital (Hall Effect Over I²C Interface) Output |
| CURRENT RATING                 | -                                                                  |
| CONTACT MATERIAL               | -                                                                  |
| CONTACT FINISH                 | -                                                                  |
| ACTUATOR TYPE                  | Flatted (4.06mm Dia)                                               |
