| PART NUMBER                      | SN74AHCT16240DGGR                                                     |
| MANUFACTURER                     | N/A                                                                   |
| DESCRIPTION                      | IC BUFFER INVERT 5.5V 48TSSOP                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                            |
| QUANTITY AVAILABLE               | 48051 pcs                                                             |
| DATA SHEET                       |                                                                       |
| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                         |
| SUPPLIER DEVICE PACKAGE          | 48-TSSOP                                                              |
| SERIES                           | 74AHCT                                                                |
| PACKAGING                        | Cut Tape (CT)                                                         |
| PACKAGE / CASE                   | 48-TFSOP (0.240", 6.10mm Width)                                       |
| OUTPUT TYPE                      | 3-State                                                               |
| OTHER NAMES                      | 296-4681-1                                                            |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                     |
| NUMBER OF ELEMENTS               | 4                                                                     |
| NUMBER OF BITS PER ELEMENT       | 4                                                                     |
| MOUNTING TYPE                    | Surface Mount                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                         |
| LOGIC TYPE                       | Buffer, Inverting                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                            |
| INPUT TYPE                       | -                                                                     |
| DETAILED DESCRIPTION             | Buffer, Inverting 4 Element 4 Bit per Element 3-State Output 48-TSSOP |
| CURRENT - OUTPUT HIGH, LOW       | 8mA, 8mA                                                              |
| BASE PART NUMBER                 | 74AHCT16240                                                           |
