Specifications of DAC715UL

|                                  |                                                           |
|----------------------------------|-----------------------------------------------------------|
| PART NUMBER                      | DAC715UL                                                  |
| MANUFACTURER                     | N/A                                                       |
| DESCRIPTION                      | IC 16BIT UNIPOLAR D/A 28SOIC                              |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                |
| QUANTITY AVAILABLE               | 2172 pcs                                                  |
| DATA SHEET                       |                                                           |
| VOLTAGE - SUPPLY, DIGITAL        | -                                                         |
| VOLTAGE - SUPPLY, ANALOG         | ±11.4 V ~ 16.5 V                                          |
| SUPPLIER DEVICE PACKAGE          | 28-SOIC                                                   |
| SETTLING TIME                    | 10µs                                                      |
| SERIES                           | -                                                         |
| REFERENCE TYPE                   | Internal                                                  |
| PACKAGING                        | Tube                                                      |
| PACKAGE / CASE                   | 28-SOIC (0.295", 7.50mm Width)                            |
| OUTPUT TYPE                      | Voltage - Buffered                                        |
| OTHER NAMES                      | 296-24945-5<br>DAC715UL-ND<br>DAC715ULG4<br>DAC715ULG4-ND |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                |
| NUMBER OF D/A CONVERTERS         | 1                                                         |
| NUMBER OF BITS                   | 16                                                        |
| MOUNTING TYPE                    | Surface Mount                                             |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                             |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                |
| INL/DNL (LSB)                    | ±2 (Max), ±1 (Max)                                        |
| DIFFERENTIAL OUTPUT              | No                                                        |
| DETAILED DESCRIPTION             | 16 Bit Digital to Analog Converter 1 28-SOIC              |
| DATA INTERFACE                   | Parallel                                                  |
| BASE PART NUMBER                 | DAC715                                                    |
| ARCHITECTURE                     | R-2R                                                      |
