

The image features the Honeywell logo in red and black text on the left. To its right, the text "Honeywell Sensing and Productivity Solutions" is displayed in black. Below this header, a large, high-resolution photograph of a Honeywell sensor is shown. The sensor consists of a circular, metallic, ring-shaped component with a central copper-colored disc. A long, thin, cylindrical metal probe extends from the center of the ring. A white cable is attached to the probe, and it branches into four individual wires (red, green, black, and white) at the bottom. The background is a plain, light gray.
