| DESCRIPTION                      | IC LED DRVR LIN DIM 40MA 14TSSOP                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                  |
| QUANTITY AVAILABLE               | 151181 pcs                                                                  |
| DATA SHEET                       |                                                                             |
| VOLTAGE - SUPPLY (MIN)           | 1.65V                                                                       |
| VOLTAGE - SUPPLY (MAX)           | 3.6V                                                                        |
| VOLTAGE - OUTPUT                 | 5.5V                                                                        |
| TYPE                             | Linear                                                                      |
| TOPOLOGY                         | -                                                                           |
| SUPPLIER DEVICE PACKAGE          | 14-TSSOP                                                                    |
| SERIES                           | -                                                                           |
| PACKAGING                        | Tape & Reel (TR)                                                            |
| PACKAGE / CASE                   | 14-TSSOP (0.173", 4.40mm Width)                                             |
| OPERATING TEMPERATURE            | -40°C ~ 125°C (TA)                                                          |
| NUMBER OF OUTPUTS                | 7                                                                           |
| MOUNTING TYPE                    | Surface Mount                                                               |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                               |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                  |
| INTERNAL SWITCH(S)               | -                                                                           |
| FREQUENCY                        | 100kHz, 400kHz                                                              |
| DIMMING                          | I <sup>2</sup> C, SMBus                                                     |
| DETAILED DESCRIPTION             | LED Driver IC 7 Output Linear I <sup>2</sup> C, SMBus Dimming 40mA 14-TSSOP |
| CURRENT - OUTPUT / CHANNEL       | 40mA                                                                        |
| BASE PART NUMBER                 | TCA6507                                                                     |
| APPLICATIONS                     | -                                                                           |
