|                     |                                                                                                              |
|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | XRT83VL38ES                                                                                                  |
| Manufacturer/Brand: | Exar Corporation                                                                                             |
| Product description | IC LIU SH T1/E1/J1 OCTAL 225BGA                                                                              |
| Datasheets:         |                                                                                                              |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 161 pcs stock                                                                                                |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of XRT83VL38ES

|                                  |                                 |
|----------------------------------|---------------------------------|
| PART NUMBER                      | XRT83VL38ES                     |
| MANUFACTURER                     | Exar Corporation                |
| DESCRIPTION                      | IC LIU SH T1/E1/J1 OCTAL 225BGA |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant      |
| QUANTITY AVAILABLE               | 161 pcs                         |
| DATA SHEET                       |                                 |
| VOLTAGE - SUPPLY                 | 3.14 V ~ 3.47 V                 |
| SERIES                           | -                               |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                    |
| NUMBER OF CIRCUITS               | 8                               |
| MOISTURE SENSITIVITY LEVEL (MSL) | 4 (72 Hours)                    |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant      |
| INTERFACE                        | -                               |
| INCLUDES                         | -                               |
| FUNCTION                         | Transceiver                     |
| DETAILED DESCRIPTION             | Telecom IC Transceiver          |
| CURRENT - SUPPLY                 | -                               |
