

Nuvoton Technology Corporation

America

Part Number:W79L632A25FL

Manufacturer/Brand:Nuvoton Technology Corporation America

Product description:IC MCU 8BIT 128KB FLASH 44QFP

Datasheets: W79L632A25FL.pdf

RoHs Status: Lead free / RoHS Compliant

Stock Condition:29234 pcs stock

Ship From:Hong Kong

Shipment Way:DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of W79L632A25FL

|                                  |                                                                                                      |

| DESCRIPTION                      | IC MCU 8BIT 128KB FLASH 44QFP                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                           |
| QUANTITY AVAILABLE               | 29234 pcs                                                                                            |
| DATA SHEET                       |  W79L632A25FL.pdf |
| VOLTAGE - SUPPLY (VCC/VDD)       | 3 V ~ 5.5 V                                                                                          |
| SPEED                            | 20MHz                                                                                                |
| SERIES                           | W79                                                                                                  |
| RAM SIZE                         | 1.25K x 8                                                                                            |
| PROGRAM MEMORY TYPE              | FLASH                                                                                                |
| PROGRAM MEMORY SIZE              | 128KB (128K x 8)                                                                                     |
| PERIPHERALS                      | POR, PWM, WDT                                                                                        |
| PACKAGING                        | Tray                                                                                                 |
| PACKAGE / CASE                   | 44-BQFP                                                                                              |
| OSCILLATOR TYPE                  | Internal                                                                                             |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                                                                      |
| NUMBER OF I/O                    | 36                                                                                                   |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                           |
| EEPROM SIZE                      | -                                                                                                    |
| DETAILED DESCRIPTION             | 8051 W79 Microcontroller IC 8-Bit 20MHz 128KB (128K x 8) FLASH                                       |
| DATA CONVERTERS                  | -                                                                                                    |
| CORE SIZE                        | 8-Bit                                                                                                |
| CORE PROCESSOR                   | 8051                                                                                                 |
| CONNECTIVITY                     | EBI/EMI, UART/USART                                                                                  |
