

ON Semiconductor®  
ON

AMI Semiconductor / ON

Semiconductor

Part Number:  
NCP631GD2TR4G

Manufacturer/Brand:  
AMI Semiconductor / ON Semiconductor

Product description:  
IC REG LINEAR 3.47V 3A D2PAK-5

Datasheets:  
 NCP631GD2TR4G.pdf

RoHs Status:  
 Lead free / RoHS Compliant

Stock Condition:  
5661 pcs stock

Ship From:  
Hong Kong

Shipment Way:  
DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

Specifications of NCP631GD2TR4G

|                                  |                                                                                                       |
|----------------------------------|-------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | NCP631GD2TR4G                                                                                         |
| MANUFACTURER                     | AMI Semiconductor / ON Semiconductor                                                                  |
| DESCRIPTION                      | IC REG LINEAR 3.47V 3A D2PAK-5                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| QUANTITY AVAILABLE               | 5661 pcs                                                                                              |
| DATA SHEET                       |  NCP631GD2TR4G.pdf |
| VOLTAGE DROPOUT (MAX)            | 1.25V @ 3A                                                                                            |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 3.47V                                                                                                 |
| VOLTAGE - OUTPUT (MAX)           | -                                                                                                     |
| VOLTAGE - INPUT (MAX)            | 9V                                                                                                    |
| SUPPLIER DEVICE PACKAGE          | D2PAK-5                                                                                               |
| SERIES                           | -                                                                                                     |
| PROTECTION FEATURES              | Over Current, Over Temperature                                                                        |
| PACKAGING                        | Tape & Reel (TR)                                                                                      |
| PACKAGE / CASE                   | TO-263-6, D²Pak (5 Leads + Tab), TO-263BA                                                             |
| PSRR                             | 76dB (1kHz)                                                                                           |
| OUTPUT TYPE                      | Fixed                                                                                                 |
| OUTPUT CONFIGURATION             | Positive                                                                                              |
| OPERATING TEMPERATURE            | 0°C ~ 125°C                                                                                           |
| NUMBER OF REGULATORS             | 1                                                                                                     |
| MOUNTING TYPE                    | Surface Mount                                                                                         |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                         |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                            |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Fixed 1 Output 3.47V 3A D2PAK-5                                  |
| CURRENT - SUPPLY (MAX)           | 2mA                                                                                                   |
| CURRENT - QUIESCENT (IQ)         | 1mA                                                                                                   |
| CURRENT - OUTPUT                 | 3A                                                                                                    |
| CONTROL FEATURES                 | Enable, Soft Start                                                                                    |
| BASE PART NUMBER                 | NCP631                                                                                                |
