|---------------------|--------------------------------------------------------------------------------------------------------------|
| Part Number:        | R5F101SKAFB#V0                                                                                               |
| Manufacturer/Brand: | Renesas Electronics America                                                                                  |
| Product description | IC MCU 16BIT 384KB FLASH 128LQFP                                                                             |
| Datasheets:         |  1.R5F101SKAFB#V0.pdf       |
|                     |  2.R5F101SKAFB#V0.pdf       |
| RoHs Status         |  Lead free / RoHS Compliant |
| Stock Condition     | 18278 pcs stock                                                                                              |
| Ship From           | Hong Kong                                                                                                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS                                                                                        |

REQUEST FOR QUOTATION

Specifications of R5F101SKAFB#V0

|                                  |                                                                                                          |

|                                  |  2.R5F101SKAFB#V0.pdf |
| VOLTAGE - SUPPLY (VCC/VDD)       | 1.6 V ~ 5.5 V                                                                                            |
| SUPPLIER DEVICE PACKAGE          | 128-LQFP (14x20)                                                                                         |
| SPEED                            | 32MHz                                                                                                    |
| SERIES                           | RL78/G13                                                                                                 |
| RAM SIZE                         | 24K x 8                                                                                                  |
| PROGRAM MEMORY TYPE              | FLASH                                                                                                    |
| PROGRAM MEMORY SIZE              | 384KB (384K x 8)                                                                                         |
| PERIPHERALS                      | DMA, LVD, POR, PWM, WDT                                                                                  |
| PACKAGING                        | Tray                                                                                                     |
| PACKAGE / CASE                   | 128-LQFP                                                                                                 |
| OSCILLATOR TYPE                  | Internal                                                                                                 |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                        |
| NUMBER OF I/O                    | 110                                                                                                      |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                               |
| EEPROM SIZE                      | -                                                                                                        |
| DETAILED DESCRIPTION             | RL78 RL78/G13 Microcontroller IC 16-Bit 32MHz 384KB (384K x 8) FLASH 128-LQFP (14x20)                    |
| DATA CONVERTERS                  | A/D 26x8/10b                                                                                             |
| CORE SIZE                        | 16-Bit                                                                                                   |
| CORE PROCESSOR                   | RL78                                                                                                     |
| CONNECTIVITY                     | CSI, I²C, LINbus, UART/USART                                                                             |
| BASE PART NUMBER                 | R5F101                                                                                                   |
