

A10515RNZQE

|                     |                              |
|---------------------|------------------------------|
| Part Number:        | A10515RNZQE                  |
| Manufacturer/Brand: | C&K                          |
| Product description | SWITCH ROTARY 5POS 2.5A 125V |
| Datasheets:         | A10515RNZQE.pdf              |
| RoHs Status         | Lead free / RoHS Compliant   |
| Stock Condition     | 20351 pcs stock              |
| Ship From           | Hong Kong                    |
| Shipment Way        | DHL/Fedex/TNT/UPS/EMS        |

REQUEST FOR QUOTATION

Specifications of A10515RNZQE

|                                  |                                                                        |

| PART NUMBER                      | A10515RNZQE                                                            |
| MANUFACTURER                     | C&K                                                                    |
| DESCRIPTION                      | SWITCH ROTARY 5POS 2.5A 125V                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                             |
| QUANTITY AVAILABLE               | 20351 pcs                                                              |
| DATA SHEET                       | A10515RNZQE.pdf                                                        |
| VOLTAGE RATING - DC              | 125V                                                                   |
| VOLTAGE RATING - AC              | 125V                                                                   |
| TERMINATION STYLE                | Solder Lug                                                             |
| SERIES                           | A                                                                      |
| PANEL CUTOUT DIMENSIONS          | Circular - 9.80mm Dia                                                  |
| OPERATING FORCE                  | -                                                                      |
| NUMBER OF POSITIONS              | 5                                                                      |
| NUMBER OF POLES PER DECK         | 1                                                                      |
| NUMBER OF DECKS                  | 1                                                                      |
| MOUNTING TYPE                    | Panel Mount                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                             |
| INDEX STOPS                      | Fixed                                                                  |
| FEATURES                         | Epoxy Sealed Terminals                                                 |
| DETAILED DESCRIPTION             | Rotary Switch 5 Position SP5T 2.5A (AC), 350mA (DC) 125VAC Panel Mount |
| DEPTH BEHIND PANEL               | 20.83mm                                                                |
| CURRENT RATING                   | 2.5A (AC), 350mA (DC)                                                  |
| CONTACT TIMING                   | Non-Shorting (BBM)                                                     |
| CONTACT MATERIAL                 | Silver (Ag)                                                            |
| CONTACT FINISH                   | Silver                                                                 |
| CIRCUIT PER DECK                 | SP5T                                                                   |
| ANGLE OF THROW                   | 30°                                                                    |
| ACTUATOR TYPE                    | Flatted (6.35mm Dia)                                                   |
| ACTUATOR LENGTH                  | 38.10mm                                                                |
