Specifications of XC6121D348ER-G

|                                  |                                                                                                                        |
|----------------------------------|------------------------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | XC6121D348ER-G                                                                                                         |
| MANUFACTURER                     | Torex Semiconductor Ltd.                                                                                               |
| DESCRIPTION                      | IC WATCHDOG TIMER 6-USP                                                                                                |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| QUANTITY AVAILABLE               | 212552 pcs                                                                                                             |
| DATA SHEET                       |  <a href="#">XC6121D348ER-G.pdf</a> |
| VOLTAGE - THRESHOLD              | 4.8V                                                                                                                   |
| TYPE                             | Watchdog Circuit                                                                                                       |
| SUPPLIER DEVICE PACKAGE          | 6-USPC (1.8x2)                                                                                                         |
| SERIES                           | -                                                                                                                      |
| RESET TIMEOUT                    | 100 ms Typical                                                                                                         |
| RESET                            | Active Low                                                                                                             |
| PACKAGING                        | Tape & Reel (TR)                                                                                                       |
| PACKAGE / CASE                   | 6-UFDFN Exposed Pad                                                                                                    |
| OUTPUT                           | Open Drain or Open Collector                                                                                           |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                                      |
| NUMBER OF VOLTAGES MONITORED     | 1                                                                                                                      |
| MOUNTING TYPE                    | Surface Mount                                                                                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                          |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                             |
| DETAILED DESCRIPTION             | Supervisor Open Drain or Open Collector 1 Channel 6-USPC (1.8x2)                                                       |
