| VOLTAGE - SUPPLY                 | 4.5 V ~ 5.5 V                                                      |
| TYPE                             | Transceiver                                                        |
| SUPPLIER DEVICE PACKAGE          | 24-CDIP                                                            |
| SERIES                           | -                                                                  |
| RECEIVER HYSTERESIS              | 500mV                                                              |
| PROTOCOL                         | RS232                                                              |
| PACKAGING                        | Tube                                                               |
| PACKAGE / CASE                   | 24-CDIP (0.300", 7.62mm)                                           |
| OPERATING TEMPERATURE            | -55°C ~ 125°C                                                      |
| NUMBER OF DRIVERS/RECEIVERS      | 4/3                                                                |
| MOUNTING TYPE                    | Through Hole                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                      |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                                 |
| DUPLEX                           | Full                                                               |
| DETAILED DESCRIPTION             | 4/3 Transceiver Full RS232 24-CDIP                                 |
| DATA RATE                        | 120Kbps                                                            |
