|                                  |                                                       |
|----------------------------------|-------------------------------------------------------|
| PART NUMBER                      | DS2132AN                                              |
| MANUFACTURER                     | Maxim Integrated                                      |
| DESCRIPTION                      | IC PROCESSOR ANSWER MACH 28-DIP                       |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                    |
| QUANTITY AVAILABLE               | 5719 pcs                                              |
| DATA SHEET                       |                                                       |
| VOLTAGE - SUPPLY                 | 4.5V ~ 5.5V                                           |
| SUPPLIER DEVICE PACKAGE          | 28-DIP                                                |
| SERIES                           | -                                                     |
| SAMPLING FREQUENCY               | -                                                     |
| PACKAGE / CASE                   | 28-DIP (0.600" , 15.24mm)                             |
| OUTPUT SIGNAL                    | Analog - Single Ended, Pulse-Code Modulation (PCM)    |
| OSCILLATOR TYPE                  | -                                                     |
| OPERATING TEMPERATURE            | 0°C ~ 70°C (TA)                                       |
| MOUNTING TYPE                    | Through Hole                                          |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                         |
| MESSAGING                        | Single                                                |
| LEAD FREE STATUS / ROHS STATUS   | Contains lead / RoHS non-compliant                    |
| INTERFACE                        | Serial                                                |
| INPUT SIGNAL                     | Analog - Single Ended, Pulse-Code Modulation (PCM)    |
| FILTER PASS BAND                 | -                                                     |
| FEATURES                         | Automatic Gain Control, DTMF Transceiver              |
| DURATION                         | -                                                     |
| DETAILED DESCRIPTION             | Voice Record/Playback IC Single Message Serial 28-DIP |
