| QUANTITY AVAILABLE               | 32863 pcs                                                                                                                |
| DATA SHEET                       |  <a href="#">ADM1176-1ARMZ-R7.pdf</a> |
| VOLTAGE - SUPPLY                 | 3.15 V ~ 16.5 V                                                                                                          |
| TYPE                             | Hot Swap Controller, Monitor                                                                                             |
| SUPPLIER DEVICE PACKAGE          | 10-MSOP                                                                                                                  |
| SERIES                           | -                                                                                                                        |
| PROGRAMMABLE FEATURES            | Current Limit, Fault Timeout, Turn On Voltage                                                                            |
| PACKAGING                        | Tape & Reel (TR)                                                                                                         |
| PACKAGE / CASE                   | 10-TFSOP, 10-MSOP (0.118", 3.00mm Width)                                                                                 |
| OTHER NAMES                      | ADM1176-1ARMZ-R7TR                                                                                                       |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                                                                             |
| NUMBER OF CHANNELS               | 1                                                                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                               |
| INTERNAL SWITCH(S)               | No                                                                                                                       |
| FEATURES                         | Auto Retry, I²C, UVLO                                                                                                    |
| FEATURE PINS                     | ON, TIMER                                                                                                                |
| DETAILED DESCRIPTION             | Hot Swap Controller, Monitor 1 Channel General Purpose 10-MSOP                                                           |
| CURRENT - SUPPLY                 | 1.7mA                                                                                                                    |
| CURRENT - OUTPUT (MAX)           | -                                                                                                                        |
| BASE PART NUMBER                 | ADM1176                                                                                                                  |
