| VOLTAGE - SUPPLY, DIGITAL        | 2.7 V ~ 5.25 V                                                           |
| VOLTAGE - SUPPLY, ANALOG         | 5V                                                                       |
| SUPPLIER DEVICE PACKAGE          | 64-TQFP-EP (10x10)                                                       |
| SERIES                           | -                                                                        |
| SAMPLING RATE (PER SECOND)       | 250k                                                                     |
| REFERENCE TYPE                   | External, Internal                                                       |
| RATIO - S/H:ADC                  | 1:1                                                                      |
| PACKAGING                        | Tube                                                                     |
| PACKAGE / CASE                   | 64-TQFP Exposed Pad                                                      |
| OPERATING TEMPERATURE            | -40°C ~ 85°C                                                             |
| NUMBER OF INPUTS                 | 6                                                                        |
| NUMBER OF BITS                   | 14                                                                       |
| NUMBER OF A/D CONVERTERS         | 6                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                               |
| INPUT TYPE                       | Single Ended                                                             |
| FEATURES                         | Simultaneous Sampling                                                    |
| DETAILED DESCRIPTION             | 14 Bit Analog to Digital Converter 6 Input 6 SAR 64-TQFP-EP (10x10)      |
| DATA INTERFACE                   | Parallel                                                                 |
| CONFIGURATION                    | S/H-ADC                                                                  |
| BASE PART NUMBER                 | MAX11058                                                                 |
| ARCHITECTURE                     | SAR                                                                      |
