| QUANTITY AVAILABLE               | 48793 pcs                                                                                                                |
| DATA SHEET                       |  <a href="#">LT1640LCS8#TRPBF.pdf</a> |
| VOLTAGE - SUPPLY                 | -80 V ~ -10 V                                                                                                            |
| TYPE                             | Hot Swap Controller                                                                                                      |
| SUPPLIER DEVICE PACKAGE          | 8-SOIC                                                                                                                   |
| SERIES                           | -                                                                                                                        |
| PROGRAMMABLE FEATURES            | Circuit Breaker, Fault Timeout, OVP, UVLO                                                                                |
| PACKAGING                        | Tape & Reel (TR)                                                                                                         |
| PACKAGE / CASE                   | 8-SOIC (0.154", 3.90mm Width)                                                                                            |
| OPERATING TEMPERATURE            | 0°C ~ 70°C                                                                                                               |
| NUMBER OF CHANNELS               | 1                                                                                                                        |
| MOUNTING TYPE                    | Surface Mount                                                                                                            |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                                            |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                                               |
| INTERNAL SWITCH(S)               | No                                                                                                                       |
| FEATURES                         | Auto Retry                                                                                                               |
| FEATURE PINS                     | DRAIN, /PWRGD, OV, UV                                                                                                    |
| DETAILED DESCRIPTION             | Hot Swap Controller 1 Channel -48V 8-SOIC                                                                                |
| CURRENT - SUPPLY                 | 1.3mA                                                                                                                    |
| CURRENT - OUTPUT (MAX)           | -                                                                                                                        |
| BASE PART NUMBER                 | LT1640                                                                                                                   |
| APPLICATIONS                     | -48V                                                                                                                     |
