M29DW256G70ZA6E

Micron Technology

IC FLASH 256M PARALLEL 64TBGA

 M29DW256G70ZA6E.pdf

 Lead free / RoHS Compliant

13647 pcs stock

Hong Kong

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

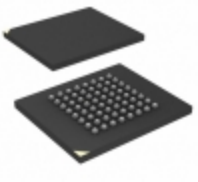

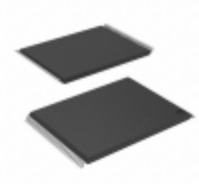

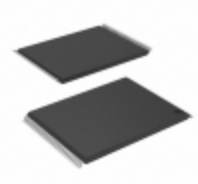

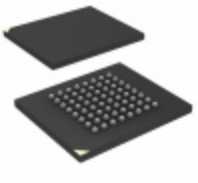

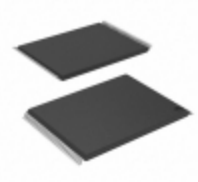

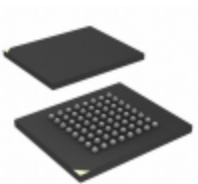

Specifications of M29DW256G70ZA6E

|                                  |                                                                                                         |
|----------------------------------|---------------------------------------------------------------------------------------------------------|
| PART NUMBER                      | M29DW256G70ZA6E                                                                                         |
| MANUFACTURER                     | Micron Technology                                                                                       |
| DESCRIPTION                      | IC FLASH 256M PARALLEL 64TBGA                                                                           |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| QUANTITY AVAILABLE               | 13647 pcs                                                                                               |
| DATA SHEET                       |  M29DW256G70ZA6E.pdf |
| WRITE CYCLE TIME - WORD, PAGE    | 70ns                                                                                                    |
| VOLTAGE - SUPPLY                 | 2.7 V ~ 3.6 V                                                                                           |
| TECHNOLOGY                       | FLASH - NOR                                                                                             |
| SUPPLIER DEVICE PACKAGE          | 64-TBGA (10x13)                                                                                         |
| SERIES                           | -                                                                                                       |
| PACKAGING                        | Tray                                                                                                    |
| PACKAGE / CASE                   | 64-TBGA                                                                                                 |
| OPERATING TEMPERATURE            | -40°C ~ 85°C (TA)                                                                                       |
| MOUNTING TYPE                    | Surface Mount                                                                                           |
| MOISTURE SENSITIVITY LEVEL (MSL) | 3 (168 Hours)                                                                                           |
| MEMORY TYPE                      | Non-Volatile                                                                                            |
| MEMORY SIZE                      | 256Mb (16M x 16)                                                                                        |
| MEMORY INTERFACE                 | Parallel                                                                                                |
| MEMORY FORMAT                    | FLASH                                                                                                   |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                              |
| DETAILED DESCRIPTION             | FLASH - NOR Memory IC 256Mb (16M x 16) Parallel 70ns 64-TBGA (10x13)                                    |
| BASE PART NUMBER                 | M29DW256                                                                                                |
| ACCESS TIME                      | 70ns                                                                                                    |
