| DESCRIPTION                      | IC REG LIN POS ADJ 100MA 0-XCEPT                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                           |
| QUANTITY AVAILABLE               | 844 pcs                                                                              |
| DATA SHEET                       |                                                                                      |
| VOLTAGE DROPOUT (MAX)            | -                                                                                    |
| VOLTAGE - OUTPUT (MIN/FIXED)     | 1.2V                                                                                 |
| VOLTAGE - OUTPUT (MAX)           | 4.5V                                                                                 |
| VOLTAGE - INPUT (MAX)            | 10V                                                                                  |
| SUPPLIER DEVICE PACKAGE          | 0-XCEPT                                                                              |
| SERIES                           | -                                                                                    |
| PROTECTION FEATURES              | Over Current, Over Temperature, Reverse Polarity                                     |
| PACKAGING                        | Tube                                                                                 |
| PACKAGE / CASE                   | -                                                                                    |
| PSRR                             | 60dB (1kHz)                                                                          |
| OUTPUT TYPE                      | Adjustable                                                                           |
| OUTPUT CONFIGURATION             | Positive                                                                             |
| OPERATING TEMPERATURE            | -55°C ~ 210°C                                                                        |
| NUMBER OF REGULATORS             | 1                                                                                    |
| MOUNTING TYPE                    | Surface Mount                                                                        |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                        |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                           |
| DETAILED DESCRIPTION             | Linear Voltage Regulator IC Positive Adjustable 1 Output 1.2 V ~ 4.5 V 100mA 0-XCEPT |
| CURRENT - QUIESCENT (IQ)         | 28µA                                                                                 |
| CURRENT - OUTPUT                 | 100mA                                                                                |
| CONTROL FEATURES                 | Enable                                                                               |
