

218-2LPSTJF

Part Number:

218-2LPSTJF

Manufacturer/Brand:

CTS Electronic Components

Product description

SWITCH SLIDE DIP SPST 25MA 24V

Datasheets:

 218-2LPSTJF.pdf

RoHs Status

 Lead free / RoHS Compliant

Stock Condition

137425 pcs stock

Ship From

Hong Kong

Shipment Way

DHL/Fedex/TNT/UPS/EMS

REQUEST FOR QUOTATION

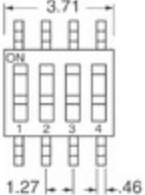

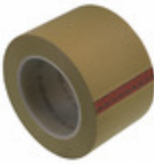

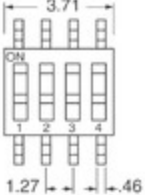

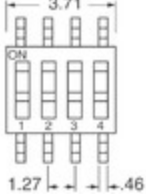

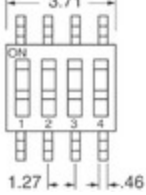

Specifications of 218-2LPSTJF

|                                  |                                                                                                     |

| DATA SHEET                       |  218-2LPSTJF.pdf |
| WASHABLE                         | Yes                                                                                                 |
| VOLTAGE RATING                   | 24VDC                                                                                               |
| TERMINATION STYLE                | J Lead                                                                                              |
| SERIES                           | 218                                                                                                 |
| PITCH                            | 0.050" (1.27mm), Half                                                                               |
| PACKAGING                        | Tube                                                                                                |
| OTHER NAMES                      | 218002LPSTJF<br>2182LPSTJF                                                                          |
| OPERATING TEMPERATURE            | -55°C ~ 85°C                                                                                        |
| NUMBER OF POSITIONS              | 2                                                                                                   |
| MOUNTING TYPE                    | Surface Mount                                                                                       |
| MOISTURE SENSITIVITY LEVEL (MSL) | 1 (Unlimited)                                                                                       |
| MECHANICAL LIFE                  | -                                                                                                   |
| LENGTH                           | 0.146" (3.71mm)                                                                                     |
| LEAD FREE STATUS / ROHS STATUS   | Lead free / RoHS Compliant                                                                          |
| HEIGHT ABOVE BOARD               | 0.106" (2.70mm)                                                                                     |
| FEATURES                         | Epoxy Sealed Terminals, Tape Seal                                                                   |
| ELECTRICAL LIFE                  | 1,000 Cycles                                                                                        |
| DETAILED DESCRIPTION             | Dip Switch SPST 2 Position Surface Mount Slide (Standard) Actuator 25mA 24VDC                       |
| CURRENT RATING                   | 25mA                                                                                                |
| CONTACT MATERIAL                 | Beryllium Copper                                                                                    |
| CONTACT FINISH                   | Gold                                                                                                |
| CIRCUIT                          | SPST                                                                                                |
| BODY MATERIAL                    | -                                                                                                   |
| ACTUATOR TYPE                    | Slide (Standard)                                                                                    |
| ACTUATOR LEVEL                   | Flush, Recessed                                                                                     |
